DIRECTIONS FOR USE:
Apply once per month. Do not exceed 4 months of Natural Care™ Flea & Tick Drops. Natural Care™ Flea & Tick Shampoo prior to application of Natural Care™ Flea & Tick Drops. For best results, dog's coat must be dry before application. Avoid eyes, nose, mouth and genitals. After application, always wait at least 24 hours before bathing or swimming. In multi-dog households, be sure the solution has dried before allowing dogs to groom each other. Pets may be treated indoors or outdoors. In order to help reduce the occurrence of fleas and ticks, this product is best used year round. If you suspect an existing infestation, try our entire line of Natural Care™ Flea & Tick products.

NOT FOR USE ON CATS OR KITTENS

KILLS & REPELS fleas • ticks
MADE WITH BOTANICAL OILS

Hazardous ingredients: Clove Oil, Thyme Oil, Cinnamon Oil

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS:
CAUTION: Eye protection and gloves provide the best protection. Wash hands thoroughly with soap and water after use. Prolonged or frequent repeated skin contact may cause allergic reaction in some individuals. For external use only.
DOMESTIC ANIMALS: Sensitivity may occur after use of any product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue consult a veterinarian immediately. Consult a veterinarian prior to use on pregnant or nursing animals. For external use only.
FIRST AID
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye. If irritation persists contact a physician.
IF ON SKIN: Wash with soap and water and repeat if necessary.
INHALATION: Remove to fresh air.
INGESTION: Immediately drink plenty of water. Do not induce vomiting. If symptoms persist, contact a physician.

STORAGE: Store applicators in original packaging in a cool, dry area.

DISPOSAL: In accordance with all Federal, State and Local regulations.

Sensitivity may occur with soap and water. If signs persist, contact a veterinarian immediately.

DOMESTIC ANIMALS:
Sensitivity occurs after use of any product for pets. If signs of sensitivity occur, bathe pets with soap and water. If symptoms persist, consult a veterinarian immediately.

CAUTION (See back panel for additional precautionary statements)

OUT! Petcare, LLC represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA); therefore, this product has not been registered by the United States Environmental Protection Agency.

Natural Care™ Flea & Tick Drops were created to provide safe and effective protection against harmful fleas and ticks, when used as directed. Our unique blend of plant extracts is naturally sourced from Clove, Thyme and Cinnamon Oils that, when combined, create a strong yet gentle defense for your dog.

1. PINCH
2. APPLY

APPLY into the dog's coat. Applied allow a few minutes for the solution to be absorbed. The product reaches the dog's skin. Once the full dose has been applied, gently pinch the tip of the applicator to part the dog's hair so the solution is absorbed. The solution has dried before allowing dogs to groom each other. If symptoms persist, contact a veterinarian immediately.
