DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS
• Do not apply more than 112 lbs. (1792 ounces or 89 bottles) of this product (0.56 lbs. in PB2) to 1000 square feet.
• Do not broadcast use on indoor surfaces.
• Do not apply this product in a way that will contact adults, children, or pets either directly or through drift.
• Do not allow adults, children, or pets to enter the treated area until sprays have dried.
• Do not apply when food is present. Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.
• Remove pets, birds, and cover any water inhabited by fish (such as aquariums and ornamental fish ponds) before spray application. Turn off aquarium filtering systems before spraying and wait approximately 15 minutes after application before turning the filter back on.
• Do not use in commercial food/feed handling establishments, restaurants or other sites where food/feed is commercially prepared or processed. Not for use in federally inspected meat and poultry plants.
• Do not apply to pets or contain feed, foodstuffs, or vegetables.
• Do not make application during rain.
• Do not directly apply to sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.
• Do not wet articles to point of runoff or drip.
• Do not use treated article until spray has dried.
• Do not contaminate water, food, or feed by storage or disposal.

ENVIRONMENTAL HAZARDS
This pesticide is extremely toxic to aquatic organisms, including fish and invertebrates. Do not apply directly to or near water. Drift and run-off may be hazardous to fish and aquatic organisms in water adjacent to treated areas. Do not contaminate water when disposing of equipment, washwater, or rinsate. See Directions for Use for additional precautions and requirements. This pesticide is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment areas.

PHYSICAL AND CHEMICAL HAZARDS
Flammable. Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

STING-X® PRO
Wasp & Hornet Killer

• KILLS WASPS, HORNETS, YELLOW JACKETS AND BEES ON CONTACT
• KILLS WITH RESIDUAL ACTION AS WASPS AND HORNETS RETURN TO NEST
• JET SPRAY - WILL REACH NESTS UP TO 20 FEET ABOVE GROUND
• DIELECTRIC BREAKDOWN VOLTAGE OF 47,300 VOLTS

ACTIVE INGREDIENTS
Tetramethrin .......................... 0.10%
Permethrin ............................ 0.25%
*Piperonyl Butoxide .......................... 0.50%
**OTHER INGREDIENTS .......................... 99.15%

(butylcarbityl) (-propylpiperonyl) ether and related compounds.

**Contains Petroleum Distillates

For medical and environmental emergencies, call CHEMTREC® 1-800-424-9300. For more information visit http://inhalant.org

USER SAFETY RECOMMENDATIONS:
• User should wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.
• Users should remove clothing/PPE immediately if pesticide gets inside and after handling this product. Wash your hands and face properly. Use soap and water. Do not use soap or water within 24 hours of application.

FIRST AID
IF IN EYES
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
Call a poison control center or doctor for treatment advice.

IF SWALLOWED
Call a poison control center or doctor immediately for treatment advice.
Do not give anything by mouth to an unconscious person.

IF INHALED
Move person to fresh air.
If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
Call a poison control center or doctor for further treatment advice.

IF ON SKIN OR CLOTHING
Rinse skin immediately with plenty of water for 15-20 minutes.
Call a poison control center or doctor for treatment advice.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.
Pesticide Storage: Store in a cool, dry area away from children and pets and away from heat, sparks and open flame. Do not transport or store below 32°F.
Pesticide Disposal and Container Handling: Do not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEAN UP for disposal instructions.

EXCERPT FROM DIRECTIONS FOR USE:

Environmental Hazards
This pesticide is extremely toxic to aquatic organisms, including fish and invertebrates. Do not apply directly to or near water.
