ACTICIDE® LPN 5

STORAGE AND DISPOSAL
PRODUCT DISPOSAL: Dispose in accordance with Federal (RCRA, State and Local Regulations.
CONTAINER DISPOSAL: Do not reuse container. Dispose in accordance with Federal (RCRA, State and Local Regulations.

DIRECTIONS FOR USE
Industrial microbiocide for the control of bacteria that cause spoilage, deterioration or fouling of the following raw materials: household consumer, industrial, janitorial products, pet care products, paints and coatings, inks, polymers, adhesives, and surfactants. The quantity of ACTICIDE® LPN 5 required in most formulations is normally in the range of 0.75% to 3% based on the total weight of the finished product, but will be dependent on the quality and type of material to be treated. Users are therefore advised to carry out their own tests or seek further advice from Thor prior to initial application.
