**IMPORTANT! PLEASE READ AND SIGN**

The purpose of this approved material is to give you an opportunity to check copy, layout, and color separations prior to our making printing plates and proceeding with the printing of your order. Star Packaging stands behind the material that we produce, from the standpoint of maintaining printing and fabricating tolerances, but we are depending on you to confirm, by your signature, that the copy and layout we are about to produce are accurate according to your desires. We cannot be responsible for confirming the accuracy of content, once we are held responsible for confirming that the content complies with the requirements of any regulatory agencies. We cannot be held responsible for errors made as a result of producing the order as authorized by your signature.

Please note: This proof is not to be used as a color match. We will use the Pantone® inks designated on this proof, which can be represented correctly in a computer-generated proof such as this one. If you have any questions regarding color, please contact your Star Packaging customer service representative.
