KEEP OUT OF REACH OF CHILDREN

DANGER [PELIGRO]

SEE SIDE PANEL FOR FIRST AID AND PRECAUTIONS

MANUFACTURED FOR:

PROXEL® is a registered trademark of Arch UK Biocides, Ltd.

Arch Chemicals, Inc.

1200 Bluegrass Lakes Parkway
Aphraetta, GA 30004

Made in USA

Active Ingredient: 1,2-benzisothiazolin-3-one…………….2.0%

Other Ingredients…………………………...……8.0%

Total………………………………………..100.0%

DIRECTIONS FOR USE:

This liquid is specifically designed to be used in a product in a manner consistent with its labeling.

Do not apply this product in a way that will contact workers or other persons.

Apply Proxel LS Preservative at the concentrations shown. All concentrations are based on the total formulation weight. Add Proxel LS Preservative at the end of the manufacture or for soaking raw hides. For treating hides cured on the farm, add according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office of the EPA.

For soaking raw hides this product should be added to the water to be used for soaking. For treating hides cured on the farm, add according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office of the EPA.
