LAZER® WINTERIZER WEED & FEED

This product is a premium grade herbicide and turf food combination which controls a wide spectrum of broadleaf weeds while providing both fast and long feeding action. 
Weeds contacted by this product rapidly die and disappear from the lawn. 
Covers 5,000 square feet (30’ x 100’). 
For chemical spill, leak, fire, or exposure, call PHS (800) 633-8253. 
For medical emergencies only, call (877) 325-1840.

FIRST AID

IF SWALLOWED • Call a poison control center or doctor for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by poison control center or doctor. • Do not give anything by mouth to an unconscious person. 
IF ON SKIN OR CLOTHING • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice. 
IF IN EYES • Hold eyes open and rinse slowly with plenty of water for 15 to 20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. Call 1-877-325-1840 for emergency medical treatment information.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. READ ENTIRE LABEL, BEFORE USING THIS PRODUCT USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS. 
This product is a stable mixture of herbicides. It is for use on residential turf. 
This product may be used on Bahia grass, Bermudagrass, Kaua’i, Crested, Poa annua, St. Augustine, and zoysiagrass. DO NOT USE on Dichondra and Carpet Grass. DO NOT USE this product where desirable grasses are present or allow the product to "wind shirt" onto flowers, vegetables, ornamentals, shrubs, trees or other desirable plants. 
Do not apply this product in a way that will contaminate any person or pet, either directly or through drift. Keep people and pets out of the area during application. 
Do not allow pets or people to enter the treated area until dust has settled. 
The maximum number of broadcast applications per treatment cycle is 1 per year. 
Do not apply directly to or near water, storm drains, gutters, ponds or drainage ditches. Do not apply within 25 feet of fences, fish ponds, lakes, streams, reservoirs, marinas, estuaries, bays, and oceans. Do not apply when windy. Apply this product directly from the nozzle, and always keep any pesticide spray off the driveway, sidewalks, gutters, or street back onto the treated area. 
To prevent product carry-over, do not water the treated area for a period of five or seven days after application (120 hours in New York). 
The pH of this product is 6.5-8.0. 

When to Apply

This product is designed to prevent barnyard grass growth in lawns and controls many annual weeds such as:

- Annual yellow jow close
- Canada thistle
- Creeping red fescue
- Dollargrass
- English ivy
- Fall loosens
- Garden Penny
- Gayfeather
- Healthy morning (large)
- Indian balsam
- Johnson grass
- Knotweed
- Lamb’s-quarters
- Lysimachia
- Musk clover
- Musk thistle
- Oxalis
- Povertygrass (southern)
- Purslane
- Pusley
- Knotgrass
- Small crabgrass
- Small ragweed
- Spotted spittle
- Stemless squaw
- Swamp spittle
- Wallflower
- Weeds

When to Apply:

Best results are obtained when weeds are growing actively in early or late fall. Avoid contact with desirable shrubs, plants, vegetables, or flowers especially when applying with a rotary (upright) type sprayer. Do not treat for at least 2-3 weeks after application. Do not apply to newly seeded sod until 8-10 weeks after seeding. For optimum results, you may wish to apply this product 2 to 3 weeks after herbicide application in cool, humid weather conditions. 

Precautionary Statements

Hazard to Humans and Domestic Animals

CAUTION Harmful if swallowed or exposed to skin. 
Causes moderate eye irritation. Do not contact eyes, skin, or clothing. Wearing long shirt sleeves, long pants, shoes, socks, and chemical-resistant gloves made of any waterproof material. After using this product, wash clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water after eating, drinking, chewing gum or using tobacco.

Environmental Hazards

This pesticide may be toxic to fish and aquatic invertebrates and may adversely affect non-target plants. Do not apply directly to water. Do not contaminate water when dispensing equipment wash water or waste.

Storage and Disposal

Store dry, in original container. Store in a cool, dry place out of the reach of children. Do not contaminate water, food, or other sources during disposal.
