from swimming pools, water bodies, eating and cooking areas, windows, and doors. Direct the nozzle downward, and treat where wind velocity does not exceed 5 miles per hour. Application in the evening and/or early morning is recommended.

Set dispenser in one of its three modes: “OFF” (middle), “REMOTE ONLY” (left), and “DUSK/DAWN + REMOTE” (right).

REMOTE ONLY MODE: Place the 1-way pressure switch in the left REMOTE ONLY position to activate and dispense MosquitoNix® On The Go insecticide for 4 seconds by pressing the remote button. Activate the dispenser in the REMOTE only position when mosquitoes are present. When mosquitoes are present, dispense MosquitoNix® On The Go insecticide by pressing the remote button in the DUSK/DAWN + REMOTE position only when mosquitoes are present and return to the OFF or the REMOTE ONLY position when mosquitoes are no longer present. Do not use the remote to activate the dispenser more than twice per day when in the DUSK/DAWN + REMOTE mode.

• To avoid exposure to people, pets, or food near the MosquitoNix® On The Go Dispenser, turn dispenser to OFF mode or REMOTE OFF mode if people, pets, or food are present during dusk or dawn.

• To avoid exposure to outdoor pets, use only in REMOTE ONLY mode if pets live outdoors.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed storage by storage or disposal.

PERMISIVE STORAGE:
Store in a cool area away from heat or open flame. Aerosol work best when temperature is above 60°F. If temperature is below 60°F, store at room temperature until the temperature above 60°F is reached.

CONTAINER DISPOSAL:
Nonrefillable container. Do not puncture or incinerate. Empty container by using the product in accordance with the label directions. Empty container for recycling, if available, or place in trash if allowed by state and local regulations. If container is partially full, contact your local solid waste agency for disposal instructions.

DISPOSER DISPOSAL:
Remove CRC batteries from the EPA before disposing of or recycling dispenser. Do not use for recycling or dispose of in accordance with state and local regulations.
