DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all label directions.

Follow these guidelines when applying MOSQUITO CARE Insect Repellent Spray:
- Shake well before use. Apply thoroughly to the skin avoiding contact with eyes and mouth. Hold 4 to 6 inches from skin while spraying, keeping nozzle pointed away from face. Slightly moisten skin with a slow sweeping motion. Excessive amounts or frequent reaplication is unnecessary. Do not exceed two applications per day.

(See additional directions inside)

Apply on face by first spraying small amounts in palms of hands and spreading on face and neck, avoiding your eyes.
