ANTS  FLEAS  SPIDERS

KILLS OVER 80 INSECTS!

Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Caution

FIRST AID

• Do not give anything by mouth to an unconscious person.
• If in eyes, remove contact lens, if worn. Rinse open eye
  with running water for 15-20 minutes. Hold eye open if
  necessary.
• Do not induce vomiting unless told to do so by the poison control
  center or doctor.
• Call a poison control center or doctor if you feel ill.

In New York State, do not make a single repeat application of this product if there are signs

of renewed insect activity. Do not apply when insect activity or damage is first observed.

Repeat application is necessary only if there are signs of renewed insect activity.

Read the following “Directions for Use” carefully and fully before applying this product.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
