PRECAUTIONARY STATEMENTS
Hazard to Humans and Domestic Animals
CAUTION! Bait contains harmful if ingested. Keep away from children, domestic animals, and pets. Any person who consumes, absorbs, or inadvertent following application of this product must wear gloves.

USER SAFETY REQUIREMENTS: As soon as possible, wash hands thoroughly after applying bait and before eating, drinking, chewing gum, using tobacco, or using the toilet.

FIRST AID
HAVE LABEL WITH YOU WHEN OBTAINING TREATMENT ADVICE
IF SWALLOWED: Call a poison control center, doctor or 1-877-332-0755 immediately for treatment advice.
Have person sip a glass of water if able to swallow.
Do not induce vomiting unless told to do so by the poison control center or doctor.
IF ON SKIN: Wash with plenty of soap and water.

TREATMENT FOR PET POISONING
If an animal eats this bait, call a veterinarian at once.
NOTE TO PHYSICIAN OR VETERINARIAN
Contains the nerve poison bromadiolone. This product is not an anticoagulant-type rodenticide. For humans or animals ingesting bait and/or showing poisoning signs (such as muscle tremors, loss of hind limb use, or seizure symptoms) or limit absorption by either emetics or gastric lavage. Subcutaneous symptoms, if present, would be mainly cerebral edema and should be treated accordingly through administration of an osmotic diuretic and corticosteroid.

ENVIRONMENTAL HAZARDS
This product is extremely toxic to fish, birds and other wildlife, dogs, cats, and other predatory and scavenging mammals and birds. It is banned and should be disposed of accordingly through environmental concerns.

DIRECTIONS FOR USE
READ THIS LABEL: Read this entire label and follow all use instructions and use precautions. Be sure to save the tag and application methods described on this label.

USE RESTRICTIONS:
This bait station may not be used in areas accessible to children and pets, consistent with all use restrictions and other requirements indicated on this label. Do not apply further than 50 feet from home or building.

For control of house mice. This bait station can only be filled with the black bait sold with this station. This product must be used in and around buildings, consistent with all use restrictions and other requirements indicated on this label. Do not place this bait station or store black bait in

STORAGE AND DISPOSAL
PESTICIDE STORAGE: Store in original container in a cool, dry place inaccessible to children and pets.
PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonhazardous container. Do not use or store container except as described in the Directions For Use. If empty, place in trash or other for recycling if available. If properly labeled. Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
