KEEP OUT OF REACH OF CHILDREN

ACTIVE INGREDIENTS:
Fipronil ........................................ 8.60%
(S)-Methoprene ............................. 6.90%
OTHER INGREDIENTS .................... 8.40%
TOTAL ........................................ 100.00%

DO NOT USE ON CATS

DIRECTIONS FOR USE
1. Remove one applicator tube from the package and hold in an upright position pointed away from your face.
2. Twist dispensing tip clockwise about 1/2 turn while pushing down to break the applicator's seal. Do not remove the dispensing tip.
3. Position the dispensing tip on the dog's back between the shoulder blades. Use the dispensing tip of the tube to part the dog's fur so that the product will be applied at skin level. Begin squeezing out the contents of the tube to form a stripe as you move from the shoulder blades along the dog's back to the base of the tail.
4. Repeat every month.

SIDE EFFECTS
Routinely ask your dog after application. Side effects may include signs of skin irritation such as scratching, scooting, or other signs of discomfort. Contact your veterinarian if any of these or other side effects occur, or contact your veterinarian at 1-888-445-4911.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by feeding site storage and disposal. PESTICIDE STORAGE: Keep this product in its tightly closed original container, out of reach. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals. PESTICIDE DISPOSAL: Follow the directions for use of this product. Used packaging may be disposed of on site or on an approved waste disposal facility.

CONTAINER DISPOSAL: Non-refillable container. Do not re-use or refill this container. If empty, offer for recycling, if available, in an approved, or if not available, in a plastic container. Do not reuse or refill this container.
