PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes irreversible eye damage and skin burns. Harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing vapor or spray mist. Do not get in eyes, on skin or on clothing. Wear goggles or face shield. Wear protective clothing: long-sleeved shirt, coveralls, socks, chemically resistant footwear and rubber gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

GENERAL PRECAUTION AND RESTRICTIONS: DO NOT MIX WITH CHELATION, BLEACH, AMMONIA CLEANERS OR OTHER HOUSEHOLD CHEMICALS.

PHYSICAL OR CHEMICAL HAZARDS

Do not mix with oxidizers, organic solvents or degreasers.

NEVER USE WITH CHLORINE PRODUCTS. Can react to give chlorine gas. If this occurs, flush toilet to remove chemicals and leave the area. Do not return for half an hour. Ventilate if possible. Never use or mix with other cleaners or chemicals. Do not use on any surface that can be damaged by acidic materials. Many surfaces are not resistant to acid.

STORAGE AND DISPOSAL

Do not contain water, food, or feed by storage and disposal.

PESTICIDE STORAGE: Open dumpstering is prohibited. Store only in original container. Do not use empty container. If a leaky container must be contained within another, mark the container to identify the contents. Store pesticides away from food, pet food, feed, seed, fertilizers, and veterinary supplies. Keep this product under locked storage sufficient to make it inaccessible to children or persons unfamiliar with its proper use.

PESTICIDE DISPOSAL: Pesticide waste is acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinse is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER HANDLING DISPOSAL: Non-refillable container. Do not reuse this container to hold materials such as pesticides or likewise chemicals. Do not use this container to hold hazardous waste. Do not allow this container to become a landfill or by other procedures approved by state and local authorities. If a container cannot be used, follow pesticide disposal instructions. If not triple rinsed, these containers are hazardous wastes and must be disposed in accordance with local, state and federal regulations.

RESIDUE REMOVAL INSTRUCTIONS: Rinse container promptly after emptying. Rinse container thoroughly. If container is used for household use, wash with soap and water. Rinse for 10 seconds. Follow Pesticide Disposal instructions for final disposal. Drain for 16 seconds after the flow begins to drip. Repeat this procedure two more times.
