IN CASE OF EMERGENCY: 1-800-255-3924

Natural Yard & Kennel Spray™
Kills fleas by contact and fully effective for up to 7 days!
- This easy-to-use product is for use on: kennels, pool/patio areas, yards, outside surfaces, trees, shrubs, roses and other flowers!
- Can be used around all ages of animals!

Directions:
- Shake well before using. Read entire label before each use and use only in accordance with label instructions.
- 1. Attach garden hose to product applicator.
- 2. With water turned on, adjust product applicator to flow.
- 3. Proceed with steady even distribution of product over surface of yard/kennel. Spray to cover area, but do not saturate to the point of puddle or run-off.

For Kennels:
- Do not rinse, allow product to air dry to achieve residual effect. This full 32 oz bottle yields 4500 sq. ft. based on dilution and flow rate of sprayer. For example, apply to 1500 sq. ft. for 3 minutes per application. See indicator at side of this label, to ensure proper amount of product is used. This product is not known to be harmful to any grass, trees, shrubs or flowers.

IN CASE OF EMERGENCY: 1-800-255-3924
