KEEP OUT OF REACH OF CHILDREN

MANTENER FUERA DEL ALCANCE DE LOS NIÑOS

DANGER

A PELIGRO

FIRST AID:

If In Eyes: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after first 5 minutes, and then continue rinsing. Call a Poison Control Center or doctor for treatment advice.

If On Skin Or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes. Call a Poison Control Center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth, if possible. Call a Poison Control Center or doctor for further treatment.

IF SWALLOWED: Call a Poison Control Center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person.

PRECAUTIONARY STATEMENTS:

HAZARD To HUMANS AND DOMESTIC ANIMALS

CORROSIVE. Causes irreversible eye damage or skin burns. May be fatal if swallowed. May be harmful if absorbed through skin or inhaled. Do not get in eyes, on skin, or on clothing. Do not breathe vapor or spray mist. Wear long-sleeved shirt and long pants, socks, and chemical resistant footwear, goggles or face shield, and chemical resistant gloves (such as barrier laminate or butyl rubber). Irritate rubber, neoprene rubber, PVC or vinyl, category C.

Physical or Chemical Hazards: VM only with water following label directions. Do not mix with chlorinated cleaners or sanitizers. Toxic chlorinated gas will be formed. Contact with soft metals may generate hydrogen gas.

Environmental Hazards: This product is toxic to fish. Keep out of lakes, ponds, or streams. Do not contaminate water by dispersing or disposal of waste. Do not discharge effluent containing this product into lakes, streams, ponds, aquifers, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment authority. For guidance, contact your State Water Board or Regional Office of the EPA.
