DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Dispense Wipes: Remove lid and discard inner seal from canister. Find center of roll, remove first wipe for use, twist center of next wipe into a point and thread through the hole in the canister lid. Pull through about one inch. Replace lid. Dispense remaining wipes as necessary by pulling out at an angle. When not in use keep cap of lid closed to prevent moisture loss.

TO DISINFECT: Unfold a clean wipe and thoroughly wet surface. Allow treated surface to remain wet for one (1) minute. Let air dry. If present, remove gross filth and heavy soil loads prior to disinfecting.

Precautionary Statements: Hazards to Humans and Domestic Animals

Warning: Causes substantial but temporary eye damage. Do not get in eyes or on clothing. Avoid contact with skin. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

Physical or chemical hazard: Flammable. Keep away from heat and open flame.

First Aid: Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or healthcare professional, or going for treatment.

In-eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.

STORAGE AND DISPOSAL: Do not contaminate water, food, feed or soil with this product.

Storage: Do not store near heat or open flame. When not in use keep cap of lid closed to prevent moisture loss. Towelette Disposal: Do not reuse towelette. Dispose of used towelettes in trash. Do not flush in toilet. Container Disposal: Nonrefillable container. Do not reuse or refill this container. Offer for recycling. If recycling is not available, put in trash collection.
