**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION**

Harmful if swallowed. Causes moderate eye irritation. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Avoid contact with eyes or clothing.

**FIRST AID**

- Call a poison control center or doctor for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by poison control center or doctor.
- Do not give anything by mouth to an unconscious person.
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:**

- Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

**IF IN EYES:**

- Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:**

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible.
- Call a poison control center or doctor for treatment advice.

**IF INHALED:**

- If you do not understand the label, find someone to explain it to you in detail.

See Slide Panel for Additional Precautionary Statements

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish and shrimp. Do not apply directly to water. Do not contaminate water when discarding of equipment or waste. Do not discharge effluent containing this product into drains, ditches, brooks, ponds, embankments, swamps or other natural waterbodies unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your local State Water Board or Regional office of the EPA.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Only for formulation into a fungicide. Unless packaged in wholesale quantities, this product may not be formulated into wettable powder end-use products.

This product may not be formulated into wettable powder or end-use products for use in carpet fibers, apparel, and furnishings (except shower curtains). This product may not be formulated into paints and stains. Uses for which U.S. EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration; Uses for experimental purposes that are in compliance with U.S. EPA requirements.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE**

Store in a dry, cool place. Pesticide wastes may be acutely hazardous. Improper disposal may cause injury or death. Follow all disposal instructions on product label.

**PESTICIDE DISPOSAL**

Pesticides, mixtures or equipment rinse waters that cannot be chemically reprocessed must be disposed of according to disposal methods for remaining waste as described above in Environmental Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER HANDLING**

Nonrefillable Container (Flexible-bag-all weights): Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available or dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Nonrefillable Combination (right-fit-ties or less): Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. Clean container promptly after emptying. Rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container 1/4 full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to dry. Repeat this procedure two more times. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. Stay out of smoke from burning. Nonrefillable Container (right-greater than fifty-ties): Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. Clean container promptly after emptying. Rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container 1/4 full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn over the container and tip it into another and tip it back and forth several times. Drain the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. Refillable Container (Refillable container with propellant only). Do not use this container for any purpose other than the container before final disposal is the responsibility of the person disposing of the container. Cleaning before refilling is the responsibility of the refiller. To clean the container before final disposal, pour at least 15% of the contents from this container into application equipment or mix tank. Fill the container about 10 percent full with water. Agitate vigorously or recirculate with the pump for 2 minutes. Pour or pump rinsate into application equipment or rinsate collection system. Repeat this rinsing procedure two more times. For mirror sprays, rinses, etc., follow all procedures indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup procedures and disposal of waste.

**LIMITATION OF LIABILITY AND WARRANTY**

Read the entire directions for use, conditions of warranties and limitations of liability of use before using this product. If terms are not acceptable, return the unused product at once.

By using this product, you or your buyer accepts the following CONDITIONS AND DISCLAIMER OF WARRANTIES, AND LIMITATIONS OF LIABILITY:

**CONSUMER:**

The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Crop injury, inefficacy, or other unidentified consequences may result because of such factors as application conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Troy.

**DISCLAIMER OF WARRANTIES:**

To the extent consistent with applicable law, Troy makes no other warranties, express or implied, of merchantability or of fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. No agent of Troy is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. To the extent consistent with applicable law, Troy disclaims any liability whatever for special, incidental or consequential damages resulting from the use or handling of this product.

**LIMITATIONS OF LIABILITY:**

To the extent consistent with applicable law, the exclusive remedy of the user or buyer for any and all losses, injuries or damages resulting from the use or handling of this product, whether in contrast, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid or at Troy's discretion, the replacement of product.
