**General Information**

Grasshoppers, Leafhoppers, Mealybugs, Mites, Plant Pro Cann-Care™ Synergy+ RTU is a triple action contact insecticide/fungicide that suffocates spray as provided to thoroughly wet all plant surfaces. Apply or 3 days or when insects return. For mites and whiteflies, spray again after 2 or 3 days or when insects return. For mites and whiteflies, spray again after 2 or 3 days or when insects return. For mites and whiteflies, spray again after 2 or 3 days or when insects return. For mites and whiteflies, spray again after 2 or 3 days or when insects return. For mites and whiteflies, spray again after 2 or 3 days or when insects return.

**Note:**
As a precautionary trial, apply to and observe a few leaves for 2 days after application of Pro Cann-Care™ Synergy+ RTU. Discontinue use if signs of burning are present. Do not use on plants stressed by drought. Avoid application when temperature exceeds 90°F (32.2°C). Pro Cann-Care™ Synergy+ RTU is useful as a component of Integrated Pest Management (IPM) programs.

**Coverage:**
- 8 oz. will treat approximately 5 plants, 2’ high by 2’ diameter.
- 12 oz. will treat approximately 8 plants, 2’ high by 2’ diameter.
- 16 oz. will treat approximately 10 plants, 2’ high by 2’ diameter.
- 24 oz. will treat approximately 15 plants, 2’ high by 2’ diameter, or 1 tree, 10’ high by 4’ diameter.
- 64 oz. will treat approximately 40 plants, 2’ high by 2’ diameter, or 3 trees, 10’ high by 4’ diameter. 1 gallon will treat approximately 80 plants, 2’ high by 2’ diameter, or 6 trees, 10’ high by 4’ diameter.

**Fruits and Vegetables:** SHAKE WELL. Cucurbits (Cucumber, Squash, Pumpkin, Melons) to control Aphids, Leafhoppers, Spider Mites, Squash Bug and Whiteflies. USE UP TO DAY OF HARVEST. Beans, Peas: to control Aphids, Leafhoppers, Grasshoppers and Spider Mites. USE UP TO DAY OF HARVEST. Cole Crops: (Cabbage, Broccoli, Brussels Sprouts, etc.) to control Aphids, Leafhoppers, and Harlequin Bug. USE UP TO DAY OF HARVEST. Tomatoes, Peppers, Eggplant: to control Aphids, Spider Mites and Whiteflies. USE UP TO DAY OF HARVEST.

**Ornamentals:** SHAKE WELL. Use as directed above. Do not use on Euphorbias, Gardenias, or delicate Ferns. For blossom thrips on African violets, spray to contact thrips on the blooms; root mealybug and springtail infestations can be reduced using a soil drench of one (1) tablespoon Pro Cann-Care™ Synergy+ RTU in a quart of water once a month. Note: This spray is somewhat stronger than spray mixed as recommended from concentrate. Do not use on azaleas, begonias, camellias, fuchias, impatients, jade plants or palms without first testing for varietal sensitivity.

**How to Apply:**
1. Apply with all types of hand or power sprayers. Read and carefully follow instructions for type of sprayer.
2. Adjust nozzle to desired spray setting. Cover both tops and bottoms of leaves and stems thoroughly. Saturate to point of run-off.
3. Infestations may require removal of leaves and buds followed by drenching to return plant to health.
### PRECAUTIONARY STATEMENTS

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**WARNING:** Keep out of reach of children & animals. Harmful if swallowed. Causes skin irritation. Causes serious eye irritation. Harmful to aquatic life with long-lasting effects. Avoid contact with eyes, skin, or clothing. If in eyes, flush with water for at least 15 minutes. If on skin, wash with plenty of soap and water. Get medical attention if irritation persists.

### STORAGE AND DISPOSAL

**Pesticide Storage:**
Store Pro Cem-Care™ Synergy+ RTU in a dry area inaccessible to children and pets. Protect from freezing and heat. Store in original container only. Store at temperatures between 45°F (7.2 °C) and 90°F (32.2 °C). Keep container tightly closed when not in use to prevent evaporation.

**Pesticide Disposal:**
Non-refillable container. To avoid wastes, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility.

**If Partially Filled:**
Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
