This product has not been registered by the U.S. EPA. BugBand represents that this product qualifies for exemption from registration under FIFRA. This product is filled by weight not volume, and may settle during shipment.

NET WEIGHT: 3 lbs (1.3 Kg)
DIRECTIONS FOR USE:
Use only as directed. Daily applications may be required depending on environmental conditions, temperatures or heavy insect activity.

USE IN HOME, YARD & GARDEN
For use in flower beds, around pools, picnic areas, patios, yards and gathering areas. Liberally sprinkle to the ground 2 to 4 cups of this BugBand product over a 100 sq ft (10 ft x 10 ft) area of the ground. Retreat every two days or as needed.

USE IN CAMP SITES & AROUND RVs
For use in areas around tents, picnic tables, game area, latrines, campsites and recreational vehicles. Liberally sprinkle to the ground 2 to 4 cups of this BugBand product over a 100 sq ft (10 ft x 10 ft) area of the ground. Retreat every two days or as needed.

USE IN DUMPSTERS & TRASH COLLECTION BINS
For use in trash receptacles. When the trash container is empty, spread 2 to 4 cups of this BugBand on the bottom at a rate of 2 cups of BugBand product per 25 square foot area of trash container. Reapply with every 8 to 10 inches of trash added to the container. Repeat after each service. Keep trash lid closed for best effect. Can be used on ground around trash cans and dumpster at an application rate of 2 cups per 100 square foot area.

USE IN PUBLIC AREAS & GROUNDS MAINTENANCE
For use in parks and other recreational areas for ground maintenance where concerts and fairs are held. Apply at a rate of 1 to 2 cups of this BugBand product over a 10 sq ft (10 ft x 10 ft) area of the ground. For parks, fairs or other large outdoor areas, a granular spreader can be used to distribute in grids in 60 foot wide sectors.

USE IN HORSE OR LIVESTOCK STALLS & KENNELS
For use in animal bedding areas to control flies and odors. Clean the stall and replace with clean bedding material such as wood shavings, hay, saw dust etc. Sprinkle 8 ounces of this BugBand product over a 100 sq ft (10 ft x 10 ft) area of the stall. Retreat every 2 day at the same rate. Dispose of used BugBand product with used stall bedding.

BUGBAND BENEFITS
