Ready-to-Use

Kills mosquitoes and collapses populations
Controls up to 4 weeks
Protects up to 5,000 sq.ft.

ATSB® Attractive Targeted Sugar Bait

Precautionary Statements: CAUTION Keep Out of Reach of Children. This product contains an essential oil. In sensitive individuals it may cause skin irritation. Avoid contact with skin, eyes or clothing. Wash hands with soap and water after handling. FIRST AID: If concentrate gets in eyes, flush eyes with water. If on skin, wash with soap and water. If any complications occur, contact a doctor. Upon application, product has a garlic scent that typically dissipates within 1 to 2 hours. If garlic odor persists, do not apply product and stay out of treated areas. PHYSICAL HAZARDS: Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 120°F may cause bursting. Store in cool, dry place away from children and pets. Nonrefillable. Place in trash or offer for recycling if available. ENVIRONMENTAL HAZARDS: Do not apply to blooming or actively budding flowers, flowering plants, fruit bearing plants or trees, or in direct proximity to beeswax. Not recommended for man-made or porous surfaces such as brick, siding, wood, concrete, fabric, or soil.

Treat Scattered Plants/Shrubs: Spray the bottom and tops of leaves from at least 1 ft. off ground to form a spot approximately 1 sq. yard (5 x 5) thoroughly and uniformly. Repeat at equal intervals to plants/shrubs approximately every 10 ft. throughout the property, including along the edge of the yard.

For Best Results:
- Apply on a dry day
- Do not apply when rain is expected within 24 hours
- Do not apply when plants are wet
- Do not apply when plants are dry
- Do not apply on hot days
- Do not apply when plants are exposed to direct sunlight

CONTAINS: 30 OZ. (two 15 OZ cans)
