FIRST AID

If swallowed
• Call poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.

If on skin or clothing
• Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15 – 20 minutes. • Call a poison control center or doctor for treatment advice.

If in eyes
• Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.

For incidents involving HUMANS, call 1-800-234-2269.

For incidents involving ANIMALS, call 1-800-234-2269.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

NET CONTENTS: 2.6 oz total (Two 1.3 oz collars)

Manufactured for: Central Garden & Pet Company
1501 E. Woodfield Road, 200W
Schaumburg, IL 60173

EPA Reg. No. 89459-92
EPA Est. No. 2724-TX-1
and is not to be taken internally by man or animals. Applying other pesticides on the dog may not be necessary while the collar is being worn.

DIRECTIONS FOR USE:
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
For external use only.
Do not let children play with this collar.
Place the collar around dog’s neck, buckle and adjust for proper fit. Cut off approximately 2 inches from the buckle and dispose of excess length by wrapping in newspaper and placing in trash.
The collar must be worn loosely so that two fingers may be placed between collar and dog’s neck. Maximum effectiveness may not occur for 2-3 weeks after collar placement. Living and rest areas of the dog must also be treated with appropriate pest control measures to ensure control of pests. Wetting will not impair the collar’s effectiveness or the dog’s protection. If the dog goes swimming or is out in the rain, it is not necessary to remove the collar. Adams™ Flea & Tick Collar for Dogs & Puppies may be used in addition to a lead or constraint collar. Use only one Adams™ Flea & Tick Collar for Dogs & Puppies at a time. This collar should be worn continuously.

READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS
One Adams™ Flea & Tick Collar for Dogs & Puppies provides up to 6 months protection against fleas and ticks.

PRECAUTIONARY STATEMENTS
Hazard to Humans and Domestic Animals
CAUTION:
Do not open protective pouch until ready to use. Do not let children play with this collar.
Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.
Do not use on puppies under 12 weeks. Do not use on Cats. Consult a veterinarian before using this product on debilitated, aged, pregnant, medicated, or nursing dogs. Sensitivities may occur after using ANY pesticide products for dogs. If signs of sensitivity occur, remove collar and bathe your dog with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.
This collar is intended for use only as an insecticide generator.

See Base of Tin and booklet for First Aid, additional Precautionary Statements and Directions for Use.
