PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Hazard to Neonates: If swallowed or absorbed through the skin, causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before re-use.

Hazard to Domestic Animals: For external use on dogs only. Do not use on cats or animals other than dogs. Do not treat (see see and dogs or puppies less than 12 weeks of age, weighing less than 3 lbs. Consult a veterinarian before using this product on diabetics, aged or neglected animals, pregnant or nursing pups. Consult a veterinarian before using on dogs with known organ dysfunction. Sensitivities can occur after using certain pesticide products on pets. If signs of sensitivity occur, discontinue use, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Signs of sensitivity include skin sensitivity, increased sensitivity, redness, rash, hair desquamation or hair loss at the application site and lethargy.

May be toxic or potentially fatal if applied to or ingested by cats. Accidental application to cats and/or grooming a recently treated dog may result in tremors and/or uncontrolled muscle movements. If this occurs, immediate veterinary care should be provided.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
