**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

Hazards to Humans/Animals: Swallowing or absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

Hazards to Domestic Animals: For external use on dogs only. Do not use on cats or animals other than dogs. Do not treat (see use) dogs or puppies less than 12 weeks of age, weighing less than 5 lbs. Consult a veterinarian before using this product on debilitated, aged, or immobilized animals, pregnant or nursing pets. Consult a veterinarian before using on dogs with known organ dysfunction. Sensitivity can occur after using. If any adverse effects or skin irritation occur, bathe your pet with mild soap and water with large amounts of water. If signs continue, consult a veterinarian immediately. Signs of sensitivity include skin sensitivity, increased in-hunger, redness, rash, hair degradation or hair loss at the application site and/ or lethargy.

**CAUTION**

May be toxic or potentially fatal if applied to or ingested by cats. Accidental application to cats and/or grooming a recently treated dog may result in tremors and/or uncoordinated muscle movements. If this occurs, immediate veterinary care should be provided.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**USE RESTRICTIONS**

- DO NOT USE ON CATS OR KITTENS
- Do not treat cats or their bedding
- Do not use on dogs or puppies less than 12 weeks of age or weighing less than 5 lbs.
- Do not apply this product to a puppy less than 12 weeks of age or weighing less than 5 lbs. Ready to use; no dilution necessary. Apply this product only as specified on this label. Do not contaminate food or feedstuff.

- Hold tube in upright position pointing away from user and dog’s face and body. Make sure tip is not cut or damaged.
- Apply LIBERTY 50 Plus (IG) Spot-On for Dogs by gently squeezing the applicator. Part dog’s hair between shoulder blades.
- Apply specified amount of solution to the skin on the dog’s back between the shoulder blades. For extra-large dogs, application of the solution to the skin directly in front of the base of the dog’s tail is also required.

**SIDE EFFECTS**

Apply 2.6 ml of LIBERTY 50 Plus (IG) Spot-On for Dogs to the skin of the dog’s back between the shoulder blades and 2.6 ml to the skin directly in front of the base of the dog’s tail. Do not double-dose dogs larger than 66 lbs.
