Kills 99.9% of germs* and bacteria

ACTIVE INGREDIENT:
Sodium dichloroisocyanurate dihydrate:......14.85%
OTHER INGREDIENTS:............................ 85.15%
TOTAL:.............................................. 100.00%
(Yields 8.24% available chlorine)

*Staphylococcus aureus, Salmonella enterica,
Escherichia coli O157:H7 and Influenza A virus

KEEP OUT OF REACH OF CHILDREN
DANGER: CORROSIVE. First aid for IN EYES Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call Poison Control Center for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor.

IF ON SKIN OR CLOTHING:
Take off contaminated clothing. Rinse immediately with plenty of water for 15–20 minutes.

IF SWALLOWED:
Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor.

IF INHALED:
Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Have person breathe from a resuscitation mask if available. Call a poison control center or doctor immediately for treatment advice.

CALL A POISON CONTROL CENTER OR DOCTOR IMMEDIATELY FOR TREATMENT ADVICE. See back panel for additional precautionary labeling.

1.5 LB (24 OZ) 680 g
Bleachable Fabrics:
HE and Standard Machines: Add detergent as directed. Fill crystals dosing cap to line 2. Add crystals directly to machine drum. DO NOT put in HE dispenser trays. For extra-large or heavily soiled loads, use twice the dose. For best results, add to drum 5 minutes after start of wash cycle. Crystals dissolve fully during the wash.

Toilet Bowls:
To disinfect, clean and deodorize, add 1.5 tbsp. of crystals to toilet bowl. Stir to dissolve and wait 10 minutes.

Hard, Nonporous Surfaces:
To disinfect, clean and deodorize, fill dosing cap to line 1. Add crystals to 1 gallon of water. Stir to dissolve. Mop or wipe surface with bleach solution. Allow solution to contact surface for 10 minutes.

Starts working when mixed with water.

Directions for use:
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

PRECAUTIONARY STATEMENTS: Hazards to humans and domestic animals
DANGER: CORROSIVE.
Causes irreversible eye damage. Causes skin irritation. Harmful if swallowed, absorbed through the skin or inhaled. Do not get in eyes, on skin or on clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing before reuse.

FIRST AID:
IF IN EYES − Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING − Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED − Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED − Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice. NOTE TO PHYSICIAN − Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL:
Nonrefillable container. Do not reuse or refill this container. Place container in trash or offer for recycling if available. CONTAINS NO PHOSPHORUS.
