**ACTIVE INGREDIENTS**

- Alkyl (50% C14, 40% C12, 10% C16) dimethyl benzyl ammonium chloride ................................ 2.304%
- Didecyl dimethyl ammonium chloride .......................................................................................... 0.864%
- Total ....................................................................................................................................... 100.000%

**GENERAL CLEANING:**

To disinfect hard, non-porous inanimate surfaces, dilute 2 ounces of concentrate per gallon of water (1:64 dilution). Remove heavy soil deposits from surfaces. Apply to surfaces using a cloth, mop, sponge, or spray. Allow to remain wet for 10 minutes. Rub with brush, sponge, or cloth. Do not rinse. Apply to surfaces with a clothe, squeegee, or cloth or allow to air dry. Do not breathe spray.

**SANITIZATION OF NON-FOOD CONTACT SURFACES:**

To deodorize, apply this product as indicated under the heading DEODORIZATION. For heavy duty deodorization dilute 2 ounces of concentrate per gallon of water (1:64 dilution). Remove heavy soil deposits from surfaces. Apply to surfaces using a cloth, mop, sponge, or spray. Allow to remain wet for 10 minutes. Rub with brush, sponge, or cloth. Do not rinse. Apply to surfaces with a clothe, squeegee, or cloth or allow to air dry. Do not breathe spray.

**TREATMENT OF SURFACES SOILED WITH BLOOD/BODY FLUIDS.**

- **It is a violation of Federal law to use this product in a manner inconsistent with the label directions.**
- **Do not use on brass.**
- **Avoid storage at elevated temperatures.**
- **Do not store near wood shavings, dust or similar combustible materials.**
- **Avoid contamination of food.**
- **Wash thoroughly with soap and water in eyes, on skin or on clothing.**
- **Wear eye protection (goggles, safety glasses with side shields, or face shield).**
- **Wear chemical resistant footwear.**

**FIRST AID**

- **If Swallowed:** Call a poison control center or doctor immediately for treatment advice.
- **If on Skin or Clothing:** Remove contaminated clothing and wash clothing before reuse.
- **If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present and easy to remove, then rinse eye again.
- **If on Skin:** Wash thoroughly with soap and water.
- **If Inhaled:** Move to fresh air. If not breathing, give artificial respiration. If unconscious, give artificial respiration and transport to hospital. Do not induce vomiting.

**DISPOSAL AND STORAGE**

- **Not for home or office use.**
