**Refillable Bait Station**

**GUARANTEED TO KILL**

or your money back

1 Refillable Bait Station + 18 Refill Baits

**Insert**

**UPC**

**NET CONTENTS:** 18/14 g (0.5 OZ.)

**TOTAL:** 252 g (8.9 OZ.)

**DIRECTIONS FOR USE**

1. **STEP 1**
   - Place bait station in a corner or along a wall or other vertical surface in an appropriate location.
   - Wearing gloves, remove a new soft bait from the bag, leaving the protective wrapper in place.
   - Place the new soft bait with the protective wrapper into the station ensuring that the peg goes through the hole in the center of the soft bait. Press bait firmly into the station.
   - Wash hands thoroughly.

2. **STEP 2**
   - Discourage re-infestation, limit sources of rodent food, water, and harborage as much as possible.
   - Place bait stations in position with bait in them for at least 15 days or as long as activity persists. Wearing gloves, add bait to new stations.

3. **STEP 3**
   - Repeat steps 1 and 2 until all activity stops.

**SELECTION OF TREATMENT AREAS:**

- **First Placement:**
  - Select areas where rodents frequently enter by gray or in cracks between walls or floors. Place stations after the bait has been added to them.
  - Place stations near战略 points such as entrances to basements, attics, or other structures.
  - Place bait stations in areas where bait is likely to be accessible to rodents but where it will not be easily accessible to humans, domestic animals, or pets.
  - Place bait stations in areas where rodents are found in the same general area, such as in the same room or building.

- **To Refill:**
  - After the bait has been placed in the station and the peg goes through the hole in the center of the soft bait, press bait firmly into the station.
  - Wearing gloves, add bait to new stations.

- **Wear protective clothing:**
  - Wear safety glasses, protective gloves, and protective clothing when handling the bait station and bait.

- **Environmental Hazards:**
  - This product is toxic to fish, birds, and other wildlife. Dogs and other predatory and scavenging mammals. Keep out of reach of children and pets. All handlers (including children) Must wear gloves. Wash hands with soap and water after handling bait station.

**EPA CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, SHALL BE LIMITED TO THE REFUND OF THE PURCHASE PRICE.**
