Hard Surface Sanitizing Wipes are convenient premoistened wipes that kills 99.9% of bacteria in just 15 seconds. This product deodorizes by killing bacteria that cause offensive odors. This product is an effective sanitizer against Staph, Klebsiella, Campylobacter.

Use Hard Surface Sanitizing Wipes on washable hard, nonporous surfaces of: Shopping cart handles, shower stalls and walls, tanning beds, doorknobs, equipment tables, garbage cans, glass, light switches, toilet seats, bathroom fixtures, bathroom counters, kitchen countertops and other hard nonporous surfaces made of: Acrylic, Formica®, glazed ceramic, metal, plastic (such as polystyrene or polypropylene), upholstery, vinyl and plastic.

Use Hard Surface Sanitizing Wipes in Non Food Contact Sanitizing Use Areas: Healthclubs, gyms, grocery stores, weight rooms, exercise rooms, schools, transportations, airplanes, trains, automobiles, office buildings, dairies, meat processing plants, food processing areas, food handling areas, bars, restaurants.

Use Hard Surface Sanitizing Wipes to sanitize the hard, non-porous surfaces of personal protective equipment respirators, full face breathing apparatus.

DIRECTIONS FOR USE:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not use as a diaper wipe or for personal cleansing.
This is not a baby wipe!
Do not flush.
For plastic and painted surfaces, spot test on an inconspicuous area before use.

Hard Surface Sanitizing Wipes will not harm most surfaces: including acrylic, sealed fiberglass and vinyl.
Do not use on unpainted wood.

Note: Not recommended for unpainted wood, natural marble or brass.

To Clean And Deodorize: Wipe surface with wipe. Let air dry. Discard used wipe in trash. Do not flush.

Sanitizing: To sanitize hard, non-porous, non-food contact surfaces; wipe surface, using enough wipes to allow treated surface to remain wet for 15 seconds for Staphylococcus aureus, Klebsiella pneumoniae, and Campylobacter jejuni. Let surface dry. For highly soiled surfaces, clean excess dirt first.

TO OPEN PACKAGE: Remove cover. Pull up wipe corner from center of roll. Thread through hole in the cover. Replace cover. Open center cap on cover to remove wipe. When not in use, close center cap securely to prevent moisture loss.
