Sani-Cide EX3 is a disinfectant and all-purpose cleaner which leaves surfaces with a streak-free appearance. Use Sani-Cide EX3 on hard, non-porous surfaces in airplane cabins where bacteria or strong unpleasant odors are likely to be present. Sani-Cide EX3 will NOT discolor hard, non-porous surfaces in airplane cabins. Sani-Cide EX3 has been tested according to Aerospace Material Specification (AMS) 1550B, 1452C and Boeing D6-7127 test specifications.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Use Sani-Cide EX3 to disinfect airplane hard non-porous surfaces such as tray tables, armrests, lavatory door handles, galley workspaces and on any other objects or surfaces which passengers and crew may come in contact with. Sani-Cide EX3 is an effective disinfectant against *Staphylococcus aureus* (ATCC 6538) and *Salmonella enterica* (ATCC 10708).

**APPLICATION INSTRUCTIONS:** Prior to disinfection, pre-clean hard non-porous surfaces by spraying Sani-Cide EX3 directly on to the surface. Spray 6-8 inches from surface then wipe with a cloth and let dry.

**TO DISINFECT:** Spray Sani-Cide EX3 directly on to the hard non-porous surface. Spray 6-8 inches from surface. Treated surfaces must remain wet for 10 minutes. After 10 minutes, wipe (dry if desired) with a cloth and let dry.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION.** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wear goggles, face shield or safety glasses. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

**FIRST AID**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

**HOT LINE NUMBER:** Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-424-9300 for emergency medical treatment information.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Store in a cool, dry, well-ventilated area inaccessible to children. If leak or spill occurs – ventilate area of leak or spill. Remove all sources of ignition. Dilute with water and mop-up or absorb with an inert material (e.g., vermiculite, dry sand, earth) and place in a chemical waste container.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product must be disposed of on-site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Nonrefillable container. Do not reuse or refill this container. Triple rinse container promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or mix tank and drain for 10 seconds after the flow begins to drip. Fill the container ¼ full with water and recap. Shake for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then offer for recycling or dispose of in a sanitary landfill.
