### DIRECTIONS FOR USE

This is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### FOR USE AS A DISINFECTANT IN FOOD PROCESSING PLANTS/PRIMIES:

1. Pre-treat heavily soiled areas.
2. Apply use solution of 1 oz. of this product per gal. of water (or equivalent use dilution) to disinfected, non-porous surfaces with a sponge, brush, cloth, mop, bobby, by immersion, by suction, mechanical spray device, or air sprayer. Apply spray solution to the surfaces to be disinfected. Do not let spray solutions sit for 10 minutes. Do not disperse spray. Do not let dry.
3. Treated surfaces must remain wet for 10 minutes.
4. Wipe dry or allow to air dry.
5. When disinfecting food contact surfaces used for food preparation, rinse surfaces thoroughly with potable water. This product must not be used to clean the following surfaces: ordinary, plastic, glass, or metal surfaces. Not for use on/disinfect glass, plastic, or metal surfaces.

### ENVIROQUAT™

Removes and controls plugging and odors caused by accumulation of biofilm and other organic contaminants in drains.

### ACTIVE INGREDIENTS

- Sodium Hypochlorite 3.5% (US Pesticide) and 1.0% (International)
- Sodium Hypochlorite 6.5% (US Pesticide) and 1.0% (International)
- Sodium Hypochlorite 10.5% (US Pesticide) and 1.0% (International)
- Sodium Hypochlorite 12.5% (US Pesticide) and 1.0% (International)

### INGREDIENTS

- Sodium Hydroxide
- Sodium Chloride
- Water

### DIRECTIONS FOR USE

FOR MEDICAL EMERGENCIES, CALL CHEMTREC 800-424-9300
FOAMING DISINFECTANT DIRECTIONS

For control of Dipsilvella spp. and Pseudomona family of fish on non-food contact surfaces. To control fish and common non-food contact surfaces, use at the following concentrations (5 parts liquid solution to 1 part water) for 3 minutes:

- Aquarium surfaces
- Water dishes
- Filter beds
- Gravel pans
- Ground 25 lbs. of water in a total volume of 80% of the surface to be treated
- Rinse with tap water
- Do not reuse after 30 minutes

MUSHROOM FARM INDUSTRY USE DIRECTIONS

Before use: Read the label and instructions carefully. Do not use on human food or animal food. Follow the instructions provided for the specific application. Rinse with tap water. Do not reuse after 30 minutes.

STORAGE AND DISPOSAL

Store in a cool, dry place. For disposal, follow local regulations. Do not dispose of in the environment. For storage and disposal, follow local regulations. Do not dispose of in the environment. For storage and disposal, follow local regulations.
