**OTHER INGREDIENTS:**

**ACTIVE INGREDIENT:

**DANGER**

Contamination or improper use may cause fire, explosion or the release of toxic gases. Do not allow product to contact any foreign matter, including water treatment products. If product is exposed to small amounts of water, it can react to cause explosion or the release of toxic gases. Do not add water to this product. Only add product into water.

**IF IN EYES:**

• Do not rub眼睛.
• Rinse eyes immediately with large amounts of cool water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, if possible. Call a poison control center or doctor for further treatment advice.

**IF ON SKIN OR CLOTHING:**

• Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.
• Remove and wash contaminated clothing before reuse.

**IF SWALLOWED:**

• Do not induce vomiting.
• Do not give anything by mouth to an unconscious person.
• Have the product container or label with you when calling a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor for further treatment advice.

**IN CASE OF EMERGENCY**

EPA Est. No. 3525-NJ-1 [NJ]
EPA Est. No. 92136-FL-1 [AQ]

**STORAGE AND DISPOSAL**

Store in a cool, dry, well-ventilated area. Keep away from heat or open flame. Nonrefillable container. Do not reuse or refill this container. Rinse empty container thoroughly with water to dissolve all material prior to disposing.

**ENVIRONMENTAL HAZARDS:**

Strong oxidizing agent. This product can increase fire intensity.

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

- Corrosive. Causes irreversible eye damage and skin burns. May be fatal if inhaled or absorbed through skin. Harmful if swallowed. Irritating to respiratory system.
- Keep away from children and pets. Keep out of reach of children.

**WHY YOU SHOULD USE THIS PRODUCT:**

When used as directed, this product is an effective swimming pool water sanitizer.

These convenient and easy to use Chlorinating Skimmer Sticks for Pools are formulated to protect against chlorine loss and to maintain 1-4 ppm of chlorine.

**IDEAL FOR ALL POOL TYPES:**

Ideal for all pool types, including vinyl-liner pools.

**WATER BALANCE:**

<table>
<thead>
<tr>
<th>Parameter</th>
<th>Acceptable Range for Balance</th>
</tr>
</thead>
<tbody>
<tr>
<td>Total Alkalinity</td>
<td>80-120 ppm</td>
</tr>
<tr>
<td>Calcium Hardness</td>
<td>Above 200 ppm</td>
</tr>
<tr>
<td>Available Chlorine</td>
<td>1-4 ppm</td>
</tr>
</tbody>
</table>

**NOTE:** Always check and adjust total alkalinity before adjusting pH levels.

**OPENING YOUR POOL:**

- Open pool according to local pool codes. Add half the recommended amount of chlorine for shock treatment.

**ROUTINE CHLORINATION:**

- Shock treat your pool once per week with pHin™ Dark Blue Pods Chlorinating Granules for Pools.
- Pump a minimum of eight hours daily.
- Run the pump a minimum of eight hours daily.
- Skimmer flow rate or daily pump operation time and add enough product into the skimmer to maintain a chlorine residual of 1-4 ppm.
- DO NOT throw sticks directly into pool or pool surface damage could occur.

**SHOCK TREATMENT / SUPERCHLORINATION:**

- As a preventative treatment, shock treat your pool once per week with pHin™ Light Blue Chlorinating Skimmer Sticks for Pools.
- May occur when bathing loads are high, water appears hazy or dull, unpleasant odors or eye irritation occur, after heavy wind and rainstorms, or other conditions.

**PRECAUTIONARY STATEMENTS**

- Keep away from children and pets. Keep out of reach of children.
- Do not get in eyes, on skin or on clothing. Wear goggles and rubber gloves. For additional protection of skin, wear long sleeves and long pants.
- Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.
- Remove and wash contaminated clothing before reuse.
- Do not reseal container. Immediately remove container to an open and well-ventilated outdoor area by itself. Flood with large amounts of water.
