DIRECTIONS FOR USE: INSTRUCCIONES DE USO:
Hold container 6-8 inches from skin and spray with a slow sweeping motion. EcoSMART® can be applied directly to skin. Use just enough repellent to cover exposed skin and/or clothing. To apply to face, spray palm of hand and rub on. Apply every 2-3 hours or as needed as effectiveness varies with excessive perspiration. Do not spray eyes and mouth directly. Do not apply over cuts, wounds or irritated/sunburned skin.

PRECAUTIONARY STATEMENTS: Caution – Kittrich recommends good safety practices when using any repellent such as keeping out of the reach of children and pets. Provide adult supervision when applying to children. Avoid contact with eyes. If product gets in eyes, flush eyes with water. Consult a physician if irritation persists. Do not apply to hands of children. This product is made from plant oils and some individuals may be sensitive. If skin irritation occurs, wash treated area with soap and water. Consult a physician if irritation persists.
