FRESH NATURAL SCENT FROM PLANT OILS.

DIRECTIONS FOR USE:
SHAKE WELL BEFORE USING. READ ENTIRE LABEL AND USE ACCORDINGLY.

FOR USE OUTDOORS.
Fogger Treatment: Kills and repels mosquitoes, flies, gnats and moths. Fill container upright and aim nozzle away from person. Press button firmly to spray. Spray with a slow, sweeping motion. For best results, spray when air is calm and work backwa to avoid drift. Spray with wind if breeze is blowing. Spray areas infested with flying insects. Give special attention to breeding areas such as garbage cans and compost piles. Expose as many insects as possible. Allow a few minutes for product to take effect. Repeat as necessary.

To reduce annoyance from flying insects, treat open porches, decks, patios, screens, and other areas where these pests may alight or congregate in a similar manner. Repeat as necessary.

PRECAUTIONARY STATEMENTS: Caution - We recommend good safety practices when using any pesticide, such as avoiding contact with eyes and skin and keeping out of the reach of children and pets. If product gets in eyes, flush with water. If on skin, wash with soap and water. If irritation persists, contact a physician. This product is not recommended for use on vinyl siding, or window or door casement made of vinyl moulding.

PHYSICAL HAZARDS: Contents under pressure. Keep away from heat, sparks and open flames. Do not puncture or incinerate container. Exposure to temperatures above 150°F (65°C) for twelve hours can cause container to burst.

STORAGE AND DISPOSAL: Store in a cool, dry area away from heat or open flame. When container is empty, recycle if available. Do not puncture or incinerate.

LIMITATION OF LIABILITY: To the extent consistent with applicable law, Kilitch Corporation makes no warranties of merchantability or of fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibility for safety and use not in accordance with label, directions and precautionary statements.

Kilitch Corporation represents that this product is a Minimum-Risk pest control product, and qualifies for exemption from EPA regulation under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA).
