FRESH NATURAL SCENT FROM PLANT OILS

DIRECTIONS FOR USE:
SHAKE WELL BEFORE EACH USE. AIM SPRAY NOZZLE AT RED DOT ON NIP. READ ENTIRE LABEL AND USE ACCORDINGLY.

ANT & ROACH TREATMENT: Kills common household pests including ants and cockroaches. Hold container upright and aim nozzle at red dot on rim. Press button firmly to spray. Spray on insects to kill by contact. Also, treat areas where insects are commonly found, including around sinks and plumbing, near appliances, behind cabinets and around waste containers. When treating for ants, spray around entry points and trails. Expose as many insects as possible. Repeat as necessary.

NOTE: This product contains plant oils which are inherently fragrant. To avoid exposure to fumes, it is recommended that this product is used in well-ventilated areas. For people who are fragrance sensitive, test a small application before using over a larger area. When used indoors, wipe away excess product. As with most household products, this product will stain any surface that water alone will not remove. It is recommended that the product is tested in an inconspicuous area of any carpet, upholstery or fabric before using. This product is not recommended for use on vinyl flooring, window or door covenants made of vinyl moulding. Be careful when spraying around plants as some plants with tender tissue and/or tender new growth may be sensitive to essential oils.

PRECAUTIONARY STATEMENTS: This product is safe to use around children and pets when used as directed. Caution – We recommend good safety practices when using any pesticides, such as avoiding contact with eyes and skin and keeping out of the reach of children and pets. If product gets in eyes, flush with water for at least 15 minutes. If on skin, wash with soap and water. If irritation persists, contact a physician.

PHYSICAL HAZARDS: Contents under pressure. Keep away from heat, sun, moisture and open flames. Do not puncture or incinerate container. Exposure to temperatures above 120°F (49°C) may cause container to burst.

STORAGE & DISPOSAL: Store in a cool, dry area away from heat or open flame. When container is empty, recycle it if available. Do not puncture or incinerate.

LIMITATION OF LIABILITY: To the extent consistent with applicable law, Kitich Corporation makes no warranties of merchantability or fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibility for safety and use not in accordance with label, directions and precautionary statements.

Kitich Corporation represents that this product is a Minimum Risk pest control product, and qualifies for exemption from EPA registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA).
