LISTED #155731
Category:D2
DIRECTIONS FOR USE:

Staplyococcus aureus (ATCC 6538) and Enterobactor aerogenes (ATCC 13048) Mix 1 part product with 9 parts water. Apply product as a one step cleaner sanitizer (5% organic soil load) by wetting thoroughly and let stand 5 minutes, wipe and allow to air dry. No rinse required.

Blood/Bod fluids in health care settings or other settings in which there is expected likelihood of soiling of inanimate surfaces. Do not mix with bleach or other disinfectants.

TO DISINFECT HARD NON-POURUS SURFACES:

For disinfecting pre-cleaned hard non-porous surfaces such as glass, plastic, painted wood, laminate, chrome, stainless steel, polyurethane coated hardwood floors, glazed ceramic tile, sealed concrete & linoleum floors. Types of items include: Exterior of appliances, bed frames, cabinet handles, wheelchairs, Child car seats, counters, cribs, door knobs, tables, tubs, exterior toilet surfaces, faucet handles, handrails, jungle gyms, keyboards, light switch covers, patio furniture, showers, sinks, stovetops, telephones, toys, walls, waste containers. Apply product full strength to pre-cleaned hard non-porous surfaces, wetting thoroughly with spray, sponge, mop, or by immersion in solution. Allow surfaces to remain wet for 5 minutes. Do not rinse or wipe. It also eliminates odors leaving restroom surfaces smelling clean and fresh. Use where odors are a problem.

STORAGE AND DISPOSAL:

Store in original closed container in a cool, dry, place away from heat and open flame. Do not allow product to become overheated in storage. Avoid prolonged storage temperature above 90°F (40°C). This may cause increased degradation of the product, which will decrease product's effectiveness. Non-refillable. Do not reuse or refill this container unless the directions for use allow a different (concentrated) product to be diluted in the container. Container Disposal: Rinse and offer empty container for recycling. If recycling is not available, discard container in trash. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Discard excess or used Sanitech in drain with running water. Container Disposal: Dispose of infectious materials should be autoclaved and disposed of according to Federal, State, and local regulations for infectious waste disposal.

CONSUMERS: If in Eyes: Hold eye open and rinse slowly with water 15–20 mins. Remove contact lenses after first 5 mins. and continue rinsing. Call a Poison Control Center or doctor for treatment advice. Have product container or label with you when calling a poison control center or doctor.
