Timbertreat® D

EPA Reg No. 5383-170-92617
EPA Establishment Number 60061-MO-1

ACTIVE INGREDIENT: 3-Iodo-2-Propynyl Butyl Carbamate.............. 20.0%
INERT INGREDIENTS: ................................................. 80.0%
TOTAL:.............................................................. 100.0%

KEEP OUT OF REACH OF CHILDREN

CAUTION
FOR INDUSTRIAL USE
See Side Panel for Additional Precautionary Statements

IN CASE OF EMERGENCY:
CALL 1-800-424-9300

Manufactured for:
Kop-Coat, Inc.
Protection Products Division
3040 William Pitt Way Pittsburgh, PA 15238
412-227-2700

Net Weight: Lbs.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION

Causes skin irritation and moderate eye irritation. Avoid contact with eyes, skin and clothing. Harmful if swallowed, inhaled or absorbed through the skin. Wash thoroughly with soap and water after handling. Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove contaminated clothing and wash before reuse.

Mixers and other handlers must wear appropriate clothing such as long-sleeve shirt and long pants, chemical resistant gloves, and shoes and socks. Users should remove personal protective equipment (PPE) immediately after handling this product. Wash outside of gloves before removing. As soon as possible wash thoroughly. Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions exist for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

FIRST AID

IF IN EYES:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
Call a Poison Control Center or doctor for treatment advice.

IF ON SKIN OR CLOTHING:
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

IF INHALED:
Move the person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration if necessary. If breathing is not restored, call emergency services.
Call a Poison Control Center or doctor for further treatment advice.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE - Do not store with strong oxidizing agents or strong (concentrated) acids. Keep container tightly closed when not in use. Do not reuse container.

PESTICIDE DISPOSAL - Pesticide wastes are acute hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, call your local State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER HANDLING - Non-refillable container. Do not reuse or refill this container. Triple rinse (or equivalent) before disposal. Rinse with water, then flush with at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons.

The following are suggested use levels for Timbertreat® D given in percentage weight.

For use as a preservative in manufacturing dry film paint generally use 0.2-4% in wet paint, for aqueous metal working, cutting, cooling and lubricating fluids and concentrates use 0.15-0.5%, for paper coatings use 0.25-3.75%, for plastics and plastic coatings use 0.25-6.0%, for concrete use 0.25-6.0%, for inks use 0.25-3%, for pigment dispersions*, slurries, and gypsum slurries for wallboard (drywall) and gypsum boards* use 0.02-0.15%. For household, consumer, industrial, institutional, and janitorial products (such as liquid and solid air fresheners, dish detergents, laundry products, soaps and detergents, non-food contact surface cleaners, floor care products*, bathroom cleaners, window cleaners, fabric care products, automotive care products*, and furniture care products*), use 0.02-0.15%.

For wood preservation, use only in above-ground applications only at 1.5-6.0%. Timbertreat® D can be used as a fungicide in non-medical, non food contact aqueous, solvent and non-solvent based systems such as natural and synthetic adhesives, caulks, patching compounds, cement based products, sealants, grouts, latexes such as bitumens used in the manufacture of flooring adhesives or carpet backings. Use levels for these applications are 0.125-1.25%. For specific recommendations on specific amounts of product to use please contact Kop-Coat, Inc.

*Not approved for use in California.
