**Active Ingredients:**

- Cetyl dimethyl diaminium chloride: 6.67%
- Dimethyl octadecyl ammonium chloride: 6.67%
- Dimethylaminium chloride: 4.00%
- Alcohols (C10, C12, C14, C16): 16%

**Other Ingredients:**

- 8.90%

**Stability:**

This product is a stable solution, free from any ingredients that may cause separation or discoloration.

**Discoloration:**

If discoloration occurs, the product should not be used.

**Peroxides:**

This product contains no peroxides.

**Ordering:**

- By EPA EST. NO. 4170-OH-2

**Storage and Disposal:**

- Store the product in a cool, dry, well-ventilated area.
- Keep the product out of reach of children.
- Do not dispose of the product in recreational water bodies.
- Do not use the product on treated wood.
- Do not use the product in areas where it may come into contact with food or food contact surfaces.
- Do not use the product on wounds or cuts.

**Precautions:**

- Avoid contact with eyes, mouth, or skin.
- Wash hands thoroughly with soap and water after handling the product.
- Do not apply the product directly to food items.
- Do not use the product on plants.

**Environmental Concerns:**

- Do not use the product on landfills or in wells.
- Do not use the product on biological control species.
- Do not use the product on wild animals.

**Disclaimer:**

- This product is not intended for use on non-food contact surfaces.
- This product is not intended for use in food processing or food handling areas.
- This product is not intended for use on food contact surfaces.

**Labeling:**

- This product is labeled under the current United States Environmental Protection Agency (EPA) regulations.
