EPA Est. No. 8907-0OH-001

Contents: 42 lbs. per container.
Lot No.

### PRECAUTIONARY STATEMENTS

**HAZARD TO HUMANS AND DOMESTIC ANIMALS**

**WARNING:** Close all openings in the storage container before using or disposing of this product. Do not let this product come in contact with the skin or clothing. To avoid chemical burns, do not get this product on the skin, in the eyes, or in the mouth while handling.

**FIRST AID:**

If in eyes - Wash out with plenty of water for at least 15 minutes. Call a physician. If pain or discomfort persists, consult a physician.

If on skin - Wash skin immediately with plenty of water for 15-20 minutes. Call a physician.

If swallowed - Do not induce vomiting. Call a physician.

**PROPER WASTE DISPOSAL:**

Do not pour this product on land or in water. Do not mix with other substances or chemicals. Follow local regulations for disposal of this product.

**STORAGE AND DISPOSAL:**

Do not store this product near heat or electrical equipment. Store in a cool, dry place.

**ENVIRONMENTAL HAZARDS:**

Do not use or store this product near water sources. Do not use this product in areas where it may come in contact with water, soil, vegetation, or sensitive or other wildlife.

**ACTIVE INGREDIENTS:**

- ConSeal ConBlock MIC
- Microbiostatic and Fungistatic Protection for Concrete
- inhibits odor causing bacteria, mold and mildew, and algae

**OTHER INGREDIENTS:**

- 5-thiouracil hydrochloride
- Proprietary detergent/surfactant

**TOTAL:**

5.6%

**CONCERN SEALS**

Microbiostatic and Fungistatic Protection for Concrete
inhibits odor causing bacteria, mold and mildew, and algae

**KEEP OUT OF REACH OF CHILDREN**

**WARNING**

See side/back panel for additional precautionary statements.

**DIRECTIONS FOR USE:**

- A violation of Federal Law to use this product in a manner inconsistent with its label.

- This product can be applied to concrete, brick, and masonry (concrete block) products, including fabrication and repair of concrete structures such as pipe and manholes. Not for use in the treatment of stonework products.

- For use as a Topical Application:
  - Before applying this product, visible mold growth must be removed and conditions favorable to mold growth must be identified and corrected.
  - For use on the surface of fresh concrete products prior to completion of construction, mix 1-8 ounces of ConSeal ConBlock MIC into a gallon of water. Use the higher concentration if the product to be treated is expected to remain in moist or wet condition for a prolonged period.
  - Apply evenly by paint brush, roller, sprayer, low pressure hand wand, or manual spray.
  - Allow treated surfaces to thoroughly dry before painting or affixing vegetation materials such as string, woodland or flooring.

- For use as a Concrete Admixture:
  - ConSeal ConBlock MIC can be added at the rate of 5-10 ounces per cubic foot of concrete. Add this product directly to water during concrete preparation before addition of cement.

- This product is regulated as a microbiostatic agent for material preservation; neither this product nor the articles treated with this product may state or imply any public health claims. Articles or substances treated with this product will be subject to proper disposal per the CFR 192.55.

**STORAGE AND DISPOSAL:**

Do not contaminate water, food, or feed by storage and disposal.

**STORAGE:**

Store in original, tightly closed container in an area inaccessible to children or persons unfamiliar with its use and away from food or feed. Keep tightly closed until ready to use. Pesticide eligibility: ONLY additive in stonework products.

**CONTAINER HANDLING:**

For non-refillable containers: Do not re-use or refill this container. Follow label instructions for disposal.

For refillable containers: Do not re-use or refill this container. Follow label instructions for disposal.

**INHALATION:**

If symptoms occur, seek medical attention.

**FIRST AID:**

If symptoms occur, seek medical attention.

**SYSTEMIC EFFECTS:**

If symptoms occur, seek medical attention.

**BREATHING:**

If symptoms occur, seek medical attention.

**INGESTION:**

If symptoms occur, seek medical attention.

**EMERGENCY INFORMATION:**

For immediate assistance, contact the National Pesticide Information Hotline at 1-800-858-1315 or visit their website at www.epa.gov/pesticide-information. For additional information, contact your local state pesticide enforcement agency or your local government agency.
