READY-TO-SPRAY
For the Control of Plant Parasitic Nematodes in Crops, Turf and Landscapes

ACTIVE INGREDIENTS:

Cinnamon oil .......................... 2.50%
Geraniol .............................. 2.50%

INERT INGREDIENTS:

Water, Soap, Palm oil ............ 95.00%

Total: .................................. 100.00%

KEEP OUT OF REACH OF CHILDREN
CAUTION
SEE BACK PANEL FOR FIRST AID AND ADDITIONAL PRECAUTIONARY STATEMENTS

ITEM NUMBER: 774501 U.S. Patent 13,910,207

DIRECTIONS FOR USE:

SHAKE WELL BEFORE USING. Connect sprayer to garden hose. Turn on water. To begin spraying, point nozzle in the direction you want to spray from. Small plastic tab located below and to the right of nozzle is in OFF position. Turn off water. Refer to water pressure by hand by pulling tab back and turning dial to OFF position until water slows to drip. Then bend small plastic tab back to OFF position. Disconnect sprayer from garden hose. ERASES: Thoroughly wash product prior to processing.

APPLICATION RATE: Repeat application every 30-60 days as needed.

TREATMENT DEPLOY POINTS:

SMALL AREAS: Place at the base of the plant(s) and the surrounding area at least 2 feet beyond the plant base. Spray until soil moist, do not over saturate. Monthly applications are recommended.

LARGE AREAS: Where adequate spray will reach the underlying soil around the plant root zone, apply monthly.

IN ALL APPLICATIONS: For plants with deeper root systems (for example, trees, shrubs, etc.) an increased application rate and spray volume may be required to insure the product reaches the entire root zone. Additional applications may be made as needed if heavy infestation is present or heavy rainfall occurs.

PRECAUTIONARY STATEMENTS

CAUTION - We recommend good safety practices when using any insecticide, such as avoiding contact with eyes and skin and keeping out of the reach of children.

If product gets in eyes, flush with water for at least 15 minutes. If on skin, wash with soap and water. If irritation persists, contact a physician.

STORAGE & DISPOSAL: Do not contaminate water, food, or feed by storage and disposal.

STORAGE: Store in a cool, dry area.

DISPOSAL: When container is empty, offer for recycling if available or discard in trash.

This product is exempt from registration with the Federal Insecticide, Fungicide and Rodenticide Act, the Federal Pesticide Control Act, and the California Pesticide Control Act. This product is exempt from registration under FIFRA.

EcoClear Products, Inc., represents that this product and its ingredients qualify for exemption from registration under FIFRA.
