PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Caution: Liquid contained in the product inside the foil pouch can cause moderate eye irritation. Avoid contact with eyes or clothing. Do not get liquid in mouth. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

PHYSICAL AND CHEMICAL HAZARDS

Flammable. During all stages of treatment, keep the treatment pad and treated bags away from heat, sparks, open flames or hot surfaces (e.g., baseboard, floor heaters, stoves, cigarettes, etc.). Unplug all electrical equipment prior to opening treated bags.

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

In the event of a medical emergency call your poison control center at 1-800-222-1222 (24 hours). Have the product container or label with you when calling a poison control center, doctor, or going for treatment.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read entire label. Use strictly in accordance with precautionary statements and directions, and with applicable state and Federal regulations.

PRECAUTIONS:

• At all times during a treatment, keep bags/containers being treated away from sparks, open flame or hot surfaces.
• Always open treated bags/containers in a well-ventilated area, away from any source of sparks, open flame or hot surfaces.
• Treatment bag may pose suffocation hazard. Keep away from children. Do not enter or put head into treatment bag.
• CIRKIL VaproPad Mattress Treatment is intended to treat items sealed within bags or airtight containers. This product will not kill bed bugs, dust mites that are not enclosed in treated dust bags/containers.

TO KILL BED BUGS, DUST MITES AND THEIR EGGS ON MATTRESSES, BOX-SPRINGS, BED FRAMES AND FURNITURE

Use CIRKIL VaproPad Mattress Treatment to kill bed bugs, dust mites and their eggs living on the surface and inside cracks and crevices of mattresses/box-springs, bed frames and other furniture.

Step 1

For Mattress/Box-spring: Lean mattress (box-spring) upright against a wall away from spark, flame or heat sources. Place bag around mattress. Turn bag and mattress onto side. Pull bag until mattress is all the way in. For Furniture: Place furniture inside bag carefully to avoid damaging the bag. Do not attempt to place heavy or large items in bag by yourself.

Step 2

Remove seals to expose vent holes.

Step 3

Affix five treatment pads to inside of bag near top with vent holes facing in. Ensure vent holes are not blocked. Seal bag completely. Inspect bag for airtightness. Repair any holes or damage airtight using tape (e.g., packing tape).

Leave bag sealed for at least 24 hours at 73°F or higher. After 24 hours: Open bag in well ventilated area or outdoors, away from sources of heat, spark or flame. Unplug any electrical devices nearby. Air out before removing the mattress.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage: Do not remove from outer packaging until ready to use. Do not remove treatment pads from inner packaging.

Disposal: The product is for one-time application only, and the inner and outer packaging are nonrefillable. Offer used product, packaging, and treatment bag for recycling if available or dispose of in trash.

IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or buyer accepts the following Conditions, Disclaimer of Warranties and Limitations of Liability.

CONDITIONS: The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use, handling and transport of this product. Damage to products, materials, treated surfaces or fabrics, inefficacy or other unintended consequences may result because of factors such as environmental conditions, the presence of other materials, the manner of use or application, the use of the product in a manner inconsistent with its labeling, or other unknown reasons, all of which are beyond the control of Terramera. To the extent consistent with applicable law, all such risks shall be assumed by the user or buyer.

DISCLAIMER OF WARRANTIES: To the extent consistent with applicable law, Terramera and the Seller make no other warranties, guarantees or representations of any kind, either express or implied, of merchantability or of fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. To the extent consistent with applicable law, Terramera and the Seller disclaim any liability for special, consequential, incidental, or indirect damages resulting from the use, transport, or handling of this product.

LIMITATIONS OF LIABILITY: To the extent consistent with applicable law, the exclusive remedy of the user or buyer and the exclusive liability of Terramera for any and all losses, injuries or damages resulting from the use, handling, or transport of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid for the product, or at Terramera’s election, the replacement of product.
