Made with CERTIFIED NATURAL Peppermint Oil and Eugenol

Vet’s Best Flea+Tick Waterless Bath was carefully formulated for cats using a unique blend of Certified Natural Peppermint Oil and Eugenol (from Clove plants) that kills fleas and ticks. The unique applicator gently dispenses a no-rinse foam allowing for easy application on cats. For over 30 years, Vet’s Best has blended premium quality and plant-based ingredients that work together to comfort and protect your pet.

DIRECTIONS FOR USE:
READ ENTIRE LABEL BEFORE EACH USE AND USE ONLY IN ACCORDANCE WITH LABEL INSTRUCTIONS.

For Cats 12 Weeks or Older:
Do a test spot one hour before full treatment and monitor for signs of sensitivity. This product is best applied to the cat in small sections. Product can be applied to hand first prior to applying to cat. Apply sparingly and massage gently in one section at a time, taking care not to get water on the eyes, mouth, nose and genitals. Cover the entire coat including the legs, tail and stomach. No rinsing required. Let coat dry completely before allowing pets to groom themselves or each other. Repeat if needed allowing 2-4 hours between applications, not exceeding twice in 24 hours.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

HUMANS: Causes moderate eye irritation. Wash hands thoroughly with soap and water after use. Prolonged or frequent repeated skin contact may cause skin irritation in some individuals. For external use only.

DOMESTIC ANIMALS: Sensitivity may occur after use of any product for pets. Monitor your cat for signs of sensitivity during and after application. If signs of sensitivity occur, bathe your cat with mild soap and rinse with large amounts of water. If signs of sensitivity continue after bathing, consult a veterinarian immediately. Consult a veterinarian before using this product on debilitated, medicated, pregnant or nursing animals. Do not use on or near puppies or kittens younger than 12 weeks old. For external use only.

Storage: Store only in original container in a cool, dry area. Disposal: In accordance with all Federal, State and Local regulations. Recycle when available or discard in trash.

IF IN EYES
• Hold eye open and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye.
• If irritation persists, contact a physician.

IF ON SKIN
• Wash with soap and water and repeat if necessary.

INHALATION
• Remove to fresh air.

INGESTION
• Immediately drink plenty of water.
• Do not induce vomiting.
• If symptoms persist, contact a physician.
