#### Usage:
- **For Cat Bedding, Cat Furniture, Collars, Pillows, Blankets, Carpet and Rugs:**
  - Apply as a fine mist that doesn’t startle your cat. For over 30 years, Vet’s Best has blended premium quality and plant-based ingredients that work together to comfort and protect your cat.
  - Kills Fleas, Flea Larvae, Flea Eggs & Ticks
  - For Indoor & Outdoor Use
  - Gentle Formula Designed for Cats
  - Quick & Easy Coverage
  - Proven Effective Formula

#### DIRECTIONS FOR USE: READ ENTIRE LABEL BEFORE EACH USE AND USE ONLY IN ACCORDANCE WITH LABEL INSTRUCTIONS.

**For Cats 12 Weeks or Older:**
- Apply indoors or outdoors in a well-ventilated area. Do a first spray to your target area before using the spray. Begin spraying around the rim of the bowl using a fine mist until damp. Do not saturate. Do not apply on the face, nose, eyes or genitals. Cover the entire area with a light mist that doesn’t startle your cat. Once spraying is completed around the cat, spray the area with a light mist that doesn’t startle your cat.
- Cover the area with clean towels and allow to dry completely before allowing pets to re-enter area. Not recommended for use on any plant-based ingredients that work together to comfort and protect your cat.

#### PLCNOMIC STATEMENTS:
- **Hazards to Humans and Domestic Animals:**
  - Sensitivity May Occur after Use of Any Product for Pets. Monitor your cat for signs of sensitivity and discontinue use if necessary. If signs of sensitivity occur, consult a veterinarian immediately.
