If partly filled:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing for 15 minutes. Get medical help immediately.

If empty:
Wash the inside of the container and any handling equipment thoroughly with soap and water.

STORAGE AND DISPOSAL:

- Store in a cool, dry area.
- Keep out of the reach of children.
- Do not contaminate water, food, or feed by storage or disposal.
- Do not store near any heat sources such as stoves, heaters or lights.
- Do not incinerate. Call your local solid waste agency for disposal instructions.

DO NOT apply to any food-producing animal. Do not allow to contact any food or food products.

Physical and chemical hazards: Contents are under pressure. Do not use or store near heat, sparks or open flame. Do not puncture or incinerate. Keep out of the reach of children. If swallowed, call 1-888-740-8712.

Keep out of reach of children.

This product is a water-based formula that contains Piperonyl Butoxide and Metofluthrin. It is formulated to target bed bug larvae and eggs. It is effective against all life stages of bed bugs, including resistant strains. It is designed for use in non-food contact areas to control bed bugs and their eggs. It is non-staining and will not damage fabrics or furnishings.
