READ THE LABEL FIRST!

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all label directions.

BEFORE YOU USE: Read these restrictions before using:

• RESTRICTIONS: For indoor use only.
• Do not contact treated surfaces until dry.
• People and pets may re-enter after the treated area is dry.
• Remove all feeding dishes prior to application.
• Do not use on small children's areas where spray may be inhaled.
• Cover exposed food or remove from area being treated.
• In the home, cover or thoroughly wash all food processing surfaces and utensils following treatment.
• Do not apply to furniture or upholstery where prolonged contact with humans will occur.
• Do not spray bed linens or other materials which come in direct contact with occupants of the bed.

HOW TO USE

SHAKE WELL BEFORE USE. Hold can 12 to 15 inches from the surface to be treated. Spray trigger to dispense product; spray until surface is slightly wet but not to the point of run off.

WHERE TO USE

For use in the home, kitchens, apartment buildings, and nursing homes.

WHEN TO USE

Apply when pest(s) are seen or found. Repeat every 7 to 10 days if needed, until infestation is eliminated.

KILLS

Ants (except Pharaoh), Bed Bugs, Baseline Bugs, Carpenter Ants, Clothes moths, Clover mites, Cockroaches, Crickets, Earwigs, Elm leaf beetles, Fleas, Flies, Fungus gnats, Fruit bugs, Mites, Mosquitoes, Moths, Molluscs, Spiders, Sowbugs, Stink Bugs (including brown marmorated stink bug), Ticks (including deer tick), and Wasps.

TO KILL BED BUGS AND BED BUG EGGS

Spray bugs and eggs directly wherever possible. Remove bed sheets, blankets, pillows, and other bedding materials, and apply the spray to both sides of the mattress. Allow the mattress to dry before remaining bed. Apply to bedspreads, box springs, and headboards of both frames or headboards, including all cracks and joints. Apply to cracks and crevices on all headboards, moldings, beneath floor coverings and carpet, cabinets, closets, shelves, curtains, furniture, picture frames, and latches that may harbor bed bugs. Keep on killing bed bugs for up to 30 days.

TO KILL TICKS AND FLEAS

Apply as a spray (no more than 2 sq ft treatment on and around pet sleeping quarters, bedding, and pet's habitat. Treat carpets, furniture, and floor coverings where fleas and ticks are found.

TO KILL LISTED CRAWLING PESTS

Spray around basements, into crevices, and other places where insects live and hide (under sinks, cabinets, refrigerators, stores, beneath and behind cabinets, damp areas, etc) until surfaces are wet.

TO KILL ANTS (except Honey)

Indoors, apply to ants on walls or basements, around doors, windows, and wherever ants may enter the home.

TO KILL LISTED FLYING INDOOR PESTS

Apply to surfaces where house flies or other listed flying insects congregate, collect, or enter.

PRECAUTIONARY STATEMENTS

Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
