PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Avoid breathing dusts. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID:

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

DIRECTIONS FOR USE

For Use in Homes, Hotels, Motels, Hospitals and Nursing Homes

Use Restrictions: Do not treat surfaces likely to be contacted by food. Avoid contamination of feed or foodstuff. Avoid introducing the product into the air.

Application Rates and Methods: Shake well before opening. Apply at a rate of 2 oz. per 100 square feet. Using the easy applicator top, remove cap and cut off tip at the top ring. Using the attached applicator brush, apply dust evenly as a light coating creating a barrier through which bed bugs must crawl. Electrical switch plate covers can be removed to allow access to voids, but dust shouldn’t be applied directly in the electrical boxes.

Bed Bug Treatment: Remove bedding and take bed apart. Treat the interior framework, joints and cracks in the bed frame. Treat the mattress and box spring, paying particular attention to tufts, folds and edges, and the interior framework of the box spring. Remove wall-mounted head boards and treat the back side. Treat picture frames, moldings, hollow furniture legs, cracks and crevices, along baseboards, and any areas with visible signs of infestation, including rugs and carpet. Treat upholstered furniture by removing or lifting (if possible) the cushions and treating the undersurface. Treat the interior framework, cracks and joints of the furniture, and the folds, tufts and edges of cushions and other upholstered areas. Do not treat toys and stuffed animals with product. Non-staining.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Store only in original container, in a dry place inaccessible to children and pets.

Disposal: If empty: Non-refillable container. Do not reuse this container. Place in trash or offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

This container is sold by weight NOT by volume. You can be assured of the proper weight even though some settling of contents normally occurs during transportation and handling.

LIMITATION OF LIABILITY

P.F. Harris Manufacturing Company, LLC makes no warranties of merchantability or of fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibilities for safety and use not in accordance with label directions and precautionary statements.
