HELPS REDUCE THE RISK OF CROSS-CONTAMINATION
This product is designed for use on food contact surfaces and does not require a rinse step prior to contact with food.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high-level disinfection.

DISINFECTION DIRECTIONS TO DISINFECT HARD, NONPOROUS SURFACES: Spray this product 6-8 inches from surface until thoroughly wet. Treated surfaces must remain wet for appropriate contact time listed on this label. Wipe or allow to air dry. No rinse required. For heavily soiled surfaces, precleaning is required.

SPECIAL INSTRUCTIONS FOR CLEANING AND DECONTAMINATION AGAINST HIV-1, HBV and HCV ON SURFACES/OBJECTS SOILED WITH BLOOD OR BODY FLUIDS: This product kills HIV, HBV AND HCV on pre cleaned environmental surfaces/objects previously soiled with blood/body fluids in healthcare settings or other settings in which there is an expected likelihood of soiling of inanimate surfaces/objects with blood/body fluids and in which the surfaces/objects likely to be soiled with blood/body fluids can be associated with the potential for transmission of Human Immunodeficiency Virus Type 1 (HIV 1) (associated with AIDS), Hepatitis B Virus (HBV), and Hepatitis C Virus (HCV) Personal Protection: When handling items soiled with blood or body fluids use disposable impervious gloves, gowns, masks and eye coverings.

Cleaning Procedures: Blood and body fluids must be thoroughly cleaned from surfaces and objects before application of this product. Contact Time: Spray on surface until completely wet and let stand 30 seconds. Infectious Materials Disposal: Blood and other body fluids should be autoclaved and disposed of according to local regulations for infectious disposal.

STORAGE AND DISPOSAL: Store this product in a cool dry area. Nonrefillable container. Do not reuse or refill empty container. Recycle empty container or discard in trash.

Physical or Chemical Hazards: Combustible. Do not use or store near heat or open flame. Use Sites: Retail Food Stores, Restaurants, Cafeterias and Foodservice operations in Schools, Hospitals, Nursing Homes and Child Care Centers
Surfaces: Countertops, Tables, Chairs, Kitchen Sinks, Cutting Boards, Stainless cutlery

**Not recommended for use on alcohol soluble wood finishes.
Test in small inconspicuous area before broad application.
