**Elanco ARTWORK LEGEND v12**
This product is intended to be mixed with water and applied as a coarse or fine spray. Fill the tank of the sprayer with water to about 1/2 of the total spray volume. Prepare spray fresh for each use. Start agitation and add the required amount of product. Maintain sufficient agitation during the application to ensure uniformity of the spray. Do not apply as a fog or space spray.

Do not contaminate water when cleaning or disposing of this product. This product is highly toxic to molluscs. Do not apply directly to water, streams, or other bodies of water, or on land that could later be flooded. Do not contaminate water supplies.

Read all Directions for Use carefully before applying. This product may be applied as a general surface spray or a crack and crevice application. Applications may be made in and around poultry houses, beef barns, and livestock premises, including but not limited to poultry houses, beef barns, alleyways, manure, stanchions, pipes, window and doors, and other areas between joints, cracks and crevices, under bent surfaces, the ends of the treatment.

This product controls Dermanyssus gallinae (Poultry red mite) (adults and larvae), Ornithonyssus sylviarum (Northern fowl mite) (adults and larvae), house flies (adults and larvae), stable flies, and little house flies. Use enough water to ensure thorough coverage of the area to be treated. For severe infestations, 4 fl. oz. of product may be used (8 fl. oz. of product treats 20,000 ft²). For light to moderate infestations, 3 fl. oz. of product in 10 gallons of water is recommended (1 fl. oz. treats 5,000 ft²). Do not apply more than 8 fl. oz. in 10 gallons of water in any application.

This product is intended for use in premises where birds are housed or can find harborage. Reapply after each grow-out or sanitation program, or when fly populations reach nuisance levels. Use enough water in a directed spray to treat 20,000 ft². Re-application may occur every 14 days as needed.

Lack of performance or other unintended consequences may result from failure to follow label directions. Nonrefillable container. Do not reuse or refill this container. Offer for donation or, at Elanco US Inc.'s election, one of the following: (1) Refund of purchase price paid by buyer or user for product bought, or to the extent consistent with applicable law the exclusive remedy for buyers to the extent consistent with applicable law Elanco US Inc. shall not be liable for losses or damages resulting from the handling or use of this product unless Elanco US Inc. is promptly notified of such loss or damage. To the extent consistent with applicable law Elanco US Inc. shall not be liable for losses or damages resulting from the handling or use of this product unless Elanco US Inc. is promptly notified of such loss or damage.
