SB CHLORINATE III
ACTIVE INGREDIENT: Sodium hypochlorite

15.5%
Other ingredients: 87.5%
Total: 100%

Keep out of reach of children.

Danger

Precautionary statements

Risk phrases:

- P201 - Keep out of reach of children.
- P280 - Wear protective clothing and a respirator or other self-contained breathing apparatus.
- P305/351/337/360 - If exposed or感觉不适, seek medical attention immediately (show the label, if possible).
- P405 - Store in a cool place.

Health phrases:

- H315 - Causes severe skin irritation.
- H318 - Causes severe eye irritation.
- H333 - May cause sensitization by skin contact.
- H334 - May cause sensitization by inhalation.
- H319 - May cause an allergic skin reaction.

Environmental phrases:

- H400 - May cause harm to the environment, in particular to the aquatic organisms and the water.

Safety phrases:

- S2 - Keep out of the reach of children.
- S3 - Keep out of the reach of children.
- S4 - Wear protective clothing and a respirator or other self-contained breathing apparatus.
- S5 - Wear protective clothing and a respirator or other self-contained breathing apparatus.

Hazardclass:

- UN 1526, 5.1
- UN 1879, 5.1

Emergency response:

- Call a poison control center or doctor for further treatment advice.
- Remove and wash contaminated clothing before re-use.
- Remove and wash contaminated clothing before re-use.

Exposure controls:

- Personal protective equipment:
- Eye Protection: Self-contained breathing apparatus
- Face Protection: Self-contained breathing apparatus
- Respiratory Protection: Self-contained breathing apparatus

First aid:

- IF IN EYES
  - Rinse with plenty of water for 15 minutes. If irritation persists, get medical attention.
- IF INHALED
  - Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen.
- IF SWALLOWED
  - Do not induce vomiting. Rinse mouth and then give 1-2 glasses of water or milk. Get medical attention.

Precautions for use:

- Avoid release to the environment. Use in a well-ventilated area.
- Use in a well-ventilated area.
- Avoid release to the environment. Use in a well-ventilated area.

Storage:

- Keep in a cool, dry place.
- Keep in a cool, dry place.
- Keep in a cool, dry place.
- Keep in a cool, dry place.

Disposal considerations:

- Disposal must be in accordance with local, state, and federal regulations.
- Disposal must be in accordance with local, state, and federal regulations.
- Disposal must be in accordance with local, state, and federal regulations.
- Disposal must be in accordance with local, state, and federal regulations.

Specific hazards:

- May be corrosive to metals.
- May be corrosive to metals.
- May be corrosive to metals.
- May be corrosive to metals.

STORAGE:

- Keep this product in a tightly closed vented container, when not in use. Store in a cool, dry, well-ventilated area, away from direct sunlight and heat to avoid deterioration. Do not contaminate water, food, or feed by storage, disposal, or cleaning of equipment.

Transport:

- Transport must be in accordance with local, state, and federal regulations.
- Transport must be in accordance with local, state, and federal regulations.
- Transport must be in accordance with local, state, and federal regulations.
- Transport must be in accordance with local, state, and federal regulations.

SAFETY DATA SHEET - AUSP 3051 - 0017

Read entire label before using this product.

Precautionary statements

Hazard to humans and domestic animals

DANGER: Corrosive. Causes eye damage. Risk of Inhalation or Ingestion through skin.

Avoid contact with eyes, skin, or mucous membranes. Wear protective clothing and a respirator or other self-contained breathing apparatus. Use in a well-ventilated area. Avoid breathing vapors. Avoid prolonged exposure.

Toxicity:

- Ingestion: May cause severe chemical burn. May cause permanent damage.
- Inhalation: May cause severe chemical burn. May cause permanent damage.
- Skin: May cause severe chemical burn. May cause permanent damage.

Health hazards:

- May cause irritation to the skin.
- May cause irritation to the eyes.
- May cause irritation to the respiratory tract.

Environmental effects:

- May cause harm to the environment, in particular to the aquatic organisms and the water.

Precautions for use:

- Avoid release to the environment. Use in a well-ventilated area.
- Avoid release to the environment. Use in a well-ventilated area.
