STOP. READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Intended for indoor home use only. Do not use on pets.

Do not allow people or pets to enter treated areas until spray has dried.

INDOORS
To kill flies, thoroughly vacuum area to be treated. Adjust spray to create a fine spray. Treat carpeted areas and baseboards of hard-surfaced floors, briefly apply a fine mist or spray to carpets, rugs, drapes and surfaces of upholstered furniture by using a wide, sweeping motion. Also spray floors underneath furniture, sofas, chairs and beds. Do not saturate surfaces. Treat or thoroughly wash pet bedding, a primary hiding place for fleas. Repeat as necessary. Do not spray humans or pets with this product. For long-term flea control, apply 24 fl oz per 100 sq ft.

To kill other crawling insects, including ants*, cockroaches, ticks, spiders**, silverfish and crickets, spray directly on pests.

*Except fire and pharaoh ants
**Except black widow and brown recluse spiders

To kill carpet beetles, thoroughly spray along baseboards and edges of carpeting; under carpeting, rugs and furniture in dressers and on shelves; and wherever the insects are seen or suspected.

To kill dust mites, thoroughly vacuum entire room, concentrating on areas where dust mites congregate such as headboards, walls, floors, carpeting and baseboards. Apply as a spot treatment to these areas.

Note: Test inconspicuous sample of fabric or rug for staining before use. Check carpet manufacturer’s warranty and care and maintenance information before using product on your specific brand of carpeting.
HOW TO USE:
1. Shake well before each use.
2. Adjust nozzle to narrow fan spray to prevent excessive wetting and waste of product.
   Spray just enough to cover area to be treated.
3. Avoid contamination of food, feedstuffs and domestic water supplies. All food-processing
   surfaces and utensils should be covered during treatment or thoroughly washed before
   use. Remove pets and birds and cover fish aquariums before spraying.

STORAGE AND DISPOSAL
Pesticide Storage: Store in cool, dry area away from heat or open flame.
Pesticide Disposal and Container Handling: If empty: Nonrefillable container. Do not
renew or refill this container. Place in trash or offer for recycling, if available. If partly filled:
Call your local solid waste agency for disposal instructions. Never place unused product down
any indoor or outdoor drain.
