DO NOT USE ON CATS OR KITTENS.

Side Effects: Monitor your dog after application. Side effects may include signs of skin irritation such as redness, scratching or other signs of discomfort. Gastrointestinal signs such as vomiting or diarrhea have also been reported. Call 1-866-823-2749. If these or other side effects occur, consult your veterinarian or call a Poison Control Center or doctor for treatment advice.

Hazards to Humans and Domestic Animals: Harmful if swallowed or absorbed through the skin. Hazards to Humans: Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Hazards to Domestic Animals: Do not treat dogs or puppies less than 12 weeks of age or weighing less than 5 lbs. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant or nursing dogs. Consult a veterinarian before using pesticide product on dogs. If signs of sensitivity occur, discontinue use, bathe your dog. If signs of sensitivity include skin sensitivity, rash, breathing difficulties, etc. If the animal shows signs of toxicity such as weakness, altered behavior, blood in vomit or urine, discontinue use, call a Poison Control Center or veterinarian. Consult a pharmacist or veterinarian for treatment advice.

CAUTION: KEEP OUT OF REACH OF CHILDREN. Contains 3 - 0.0237 fl oz (0.70 mL) Applicators

Usage Restrictions: • Do not allow your dog to ingest this product. • Do not apply more than the specified amount of tubes per dog per treatment. • Hold tube in upright position pointing away from user's and dog's face and squeezing the tube. If empty: Place in trash or offer for recycling if available. Store in a cool, dry (preferably locked) place, away from heat or open flame. Nonrefillable container. Do not reuse or refill. Container Handling (tubes): If partly filled: Call your local solid waste agency for disposal instructions. If disposed of on site or at an approved waste disposal facility. • Do not contaminate food or feedstuff. Part dog's hair between shoulder blades. Ready to use; no dilution necessary. Apply this product only as specified on this label. Use as directed. • Do not use on cats or animals other than dogs. • Accidental application to cats and/or grooming a recently treated dog may result in tremors and/or uncoordinated muscle movement. If these or other side effects occur, call a Poison Control Center or veterinarian, or go for treatment. For medical emergencies or pesticide concerns, you may call 1-866-823-2749, HOTLINE NUMBER: Have the product container or label with you when calling.

Use Restricitions:

Special Instructions: Apply specified amount of solution to the skin on the dog's back between the shoulder blades as illustrated in the pictogram. SEE DOSING GUIDELINES BELOW.

Storage and Disposal:

Environmental Hazards: This product is extremely toxic to aquatic organisms, including fish and Shrimp. Do not apply directly to or contaminate water or aquatic ecosystems, or run off into storm drains, drainage ditches, gutters or surface waters. Do not allow irrigation equipment or runoff from treated areas to contact rivers, streams, ponds, ditches, or other waterways. Do not apply to areas where runoff will enter waterways. Use with caution near bodies of water. Avoid application near streams, ditches, or drains that are used as wildlife corridors.

Precautionary Statements:

FIRST AID:

IF SWALLOWED: Do not induce vomiting unless told by a Poison Control Center. Have the person sip a glass of water if able to swallow. Hold eye open and rinse slowly and gently with water for 15-20 minutes. Call a Poison Control Center or doctor for further advice. DO NOT INDUCE VOMITING.

IF IN EYES: Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for further advice. DO NOT RINSE. IF ON SKIN: IF CLOTHING: Call a Poison Control Center or doctor for further advice. DO NOT RINSE. If partly filled: Call your local solid waste agency for disposal instructions. If disposed of on site or at an approved waste disposal facility. Do not use or store near heat or open flame. KEEP OUT OF REACH OF CHILDREN. CAUTION: Contains 3 - 0.0237 fl oz (0.70 mL) Applicators.
