HAZARDS TO HUMANS AND DOMESTIC ANIMALS

For external use only. Do not allow children to apply product. Read entire label before use.

Do not treat cats or their DOGS. May be toxic or potentially fatal if applied to cats.

DO NOT USE ON CATS OR KITTENS.

Do not apply this product to puppies less than 12 weeks of age or on dogs under 66 lbs. Consult a veterinarian before using this product on dogs with known organ dysfunction. Sensitivities can occur after application, resulting in sensitivity, increased itchiness, redness, rash, hair discoloration or hair loss at the application site and lethargy.

Do not apply more than the specified amount of tubes per dog per treatment.

Do not apply this product more than once a month.

Keep cats away from treated dogs for 24 hours.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For additional information on this pesticide product (including health concerns, medical emergencies or pesticide concerns), you may call 1-866-823-2749, HOTLINE NUMBER: Have the product container or label with you when calling.

If partly filled: Call your local solid waste agency for disposal instructions.
Never place unused product down any indoor or outdoor drain.

Pesticide Storage:
Store in a cool, dry (preferably locked) place, away from heat or open flame.

Pesticide Disposal:
Nonrefillable container. Do not reuse or refill. Place empty container in the trash or offer for recycling if available.

Remove contact lenses after the first 5 minutes, then hold eye open and rinse slowly and gently with water for 15-20 minutes.
If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses after the first 5 minutes, then hold eye open and rinse slowly and gently with water for 15-20 minutes.
If on skin: Rinse skin immediately with plenty of water for 15-20 minutes.
If in mouth: Have the product container or label with you when calling.

If swallowed: Call a Poison Control Center or doctor immediately for treatment advice.

IF IN EYES:
Hold eye open and rinse slowly and gently with water for 15-20 minutes.

IF ON SKIN OR CLOTHING:
Rinse skin immediately with plenty of water for 15-20 minutes.

IF IN MOUTH:
Rinse mouth thoroughly with water for 15-20 minutes. Do not induce vomiting.

IF INHALED:
Move to fresh air and engage in normal activities. If breathing difficulty occurs, call a Poison Control Center or doctor immediately for treatment advice.

Hazards to Domestic Animals:
Do not treat dogs or puppies less than 12 weeks of age or weighing less than 66 lbs.

Consult a veterinarian before using this product on dogs with known organ dysfunction. Sensitivities can occur after application, resulting in sensitivity, increased itchiness, redness, rash, hair discoloration or hair loss at the application site and lethargy.

This product is extremely toxic to aquatic organisms, including fish and other wildlife and their habitats. Pesticides can harm you and others if improperly used. Do not use or store near heat or open flame. Do not use or store near food or water. Use only as directed on label.

If treated dogs to go swimming for 12 hours following treatment.

ENVIRONMENTAL HAZARDS
Do not apply this product in or near ponds, lakes, streams, ditches, or other surface waters or wetlands, or on areas from which runoff may enter such waters or areas.

Do not use or store near livestock, birds or fish.

Do not contaminate food or feedstuff.

DO NOT USE ON CATS OR KITTENS.

Do not allow your dog to ingest this product.

Do not contaminate food or feedstuff.

Extra Large Dogs Over 66 lbs
DO NOT USE ON CATS — MAY BE FATAL
Keep cats away from treated dogs for 24 hours.
If applied to or ingested by a cat, contact your veterinarian immediately.

DIRECTIONS FOR USE
FOR USE ONLY ON DOGS OR PUPPIES
Ready to use; no dilution necessary. Apply this product only as specified on this label. Do not contaminate food or feedstuff. Part dog’s hair between shoulder blades.
Part dog’s tail. Do not apply more than one tube per treatment per dog regardless of skin irritation such as redness, scratching or other signs of discomfort. If these or other side effects occur, consult your veterinarian or call 1-866-823-2749.

USE RESTRICTIONS
• Do not treat cats or their bedding. This product may be toxic or potentially fatal if applied to or ingested by cats or kittens.
• Do not apply this product to puppies less than 12 weeks of age or on dogs less than 66 lbs.
• Do not allow your dog to ingest this product.
• Do not apply this product to dogs that have organ dysfunction.
• Do not contaminate your dog with this product.

Side Effects: Monitor your dog after application. Side effects may include signs of sensitivity, increased itchiness, redness, rash, hair discoloration or hair loss at the application site and lethargy.

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
Hazards to Humans:
• For external use only. Do not allow children to apply product. Read entire label before use.
• Do not contaminate food or feedstuff.

CAUTION
• Harmful if swallowed or absorbed through the skin.
• Remove and wash contaminated clothing before re-use.
• Consult a veterinarian before using this product on dogs with known organ dysfunction. Sensitivities can occur after using ANY pesticide product on dogs. If signs of sensitivity occur, discontinue use, bathe your dog with mild soap and rinse with large amounts of water. If signs of sensitivity, call 1-866-823-2749.

CHEMICAL HAZARDS
• This product is extremely toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters.

ENVIRONMENTAL HAZARDS
• DO NOT USE ON CATS: May be toxic or potentially fatal if applied to or ingested by cats.
• Accidental application to cats and/or grooming a recently treated dog may result in tremors and/or uncoordinated muscle movement. Inconsistent with its labeling.

FIRST AID
• IF SWALLOWED: Have a person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person.
• Have a person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person.
• CALL A POISON CONTROL CENTER OR DOCTOR FOR TREATMENT IN CASE OF INTOXICATION.
• IF ON SKIN OR CLOTHING:
• Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contaminated clothing and wash skin with soap and water.
• TREATMENT AND DISPOSITION
• If partly filled: Call your local solid waste agency for disposal instructions.
• If empty: Place in trash or offer for recycling if available.
• Container Handling (tubes):
• Pesticide Storage:
• Pesticide Disposal:
• For extra-large dogs weighing over 66 lbs
Apply 2.66 mL of this product to the skin of the dog’s back between the shoulder blades and 2.66 mL to the skin directly in front of the base on the dog’s tail.
