DIRECTIONS FOR USE  
How to apply: This aerosol can be used around your home from inside and outdoors. Spray in cracks, corners, and any area where you want to prevent rodent activity. Do not apply to food, drink, medicine or plants as rodents will eat these products. Do not apply to electrical wiring. 

STORAGE AND DISPOSAL  
STORAGE: Store in a cool, dry area away from open flame.  
DISPOSAL: When container is empty, place in trash or offer for recycling if available. Never place unused product down any indoor or outdoor drain. Do not puncture or incinerate.  

Tomcat Brands Guarantee: If for any reason you, the consumer, are not satisfied with this product, mail us your original proof of purchase to obtain a full refund of your purchase price.  

This product has not been registered by the United States Environmental Protection Agency. Tomcat Brands represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act.  

How to apply: Spray potential entry points around your home which could include around doors & windows, pipes, cracks & crevices, and vents. Spray in areas you want to prevent rodent activity.  

Repeat application every 30 days. More frequent application may be required after periods of heavy rainfall and if more rodent activity is noticed. 

Use Precaution  
This product can be applied as long as spray head and liquid are not frozen. If product freezes, return to room temperature and use according to directions. 

Do not spray electrical wires and sockets directly. Not for use on car engine. Before use, test a small area of sensitive surfaces for staining before making a wide scale application. Wipe away any excess product on surfaces.
